(57) **CLAIM**

The ornamental design for a container for a forced air warming machine, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a container for a forced air warming machine showing the claimed design;
 FIG. 2 is a rear perspective view of a container for a forced air warming machine showing the claimed design;
 FIG. 3 is a front view of a container for a forced air warming machine showing the claimed design;
 FIG. 4 is a rear view of a container for a forced air warming machine showing the claimed design;
 FIG. 5 is a left-side view of a container for a forced air warming machine showing the claimed design;
 FIG. 6 is a right-side view of a container for a forced air warming machine showing the claimed design;
 FIG. 7 is a top view of a container for a forced air warming machine showing the claimed design; and,
 FIG. 8 is a bottom view of a container for a forced air warming machine showing the claimed design.
 The difference in stippled shading is meant to indicate a contrast in appearance. The broken lines shown in the views are included for the purpose of illustrating portions of the article that form no part of the claimed design.

1 Claim, 8 Drawing Sheets
