(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design; and, FIG. 2 is a second embodiment thereof. The outermost broken line showing an electronic device illustrates environment, whereas the remaining broken lines showing a display screen and elements of the graphical user interface illustrate portions of the article. None of the broken lines form part of the claimed design.
