The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a display screen or portion thereof with icon set showing our new design.

The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no part of the claimed design.

The brackets shown in the FIGURE indicates a set; the bracket itself forms no part of the claimed design. The elements of each set are arranged relatively on the drawing sheet for the convenience of illustration, and the placement of each element relative to another, or to the drawing sheet, forms no part of the claimed design.
