FIG. 9 is a front view of the upper torso garment with a wearer of the upper torso garment reaching a hand into one of the front pockets of the upper torso garment; and, FIG. 10 is a rear view of the upper torso garment with a wearer of the upper torso garment reaching a hand into one of two rear pockets of the upper torso garment. The rear pockets illustrated in broken lines form no part of the claimed design.

The broken lines are shown for the purpose of illustrating environmental subject matter on an exemplary upper torso garment, and form no part of the claimed design. The surface shading and contour lines shown in the drawings represent the three-dimensional character and contour of the article, and are not intended to illustrate material, surface ornamentation, or surface decoration.

In some implementations, the environmental subject matter, which is not directed to claimed subject matter, includes a sweatshirt, jacket, or hoodie.
