(57) **CLAIM**

The ornamental design for a material sheet with patterned surface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a top plan view of a material sheet with patterned surface showing our new design. The broken lines depict portions of the material sheet with patterned surface that form no part of the claimed design.
