(57) **CLAIM**

The ornamental design for a display stand, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a display stand in accordance with a first embodiment of the invention.

FIG. 2 is a first side elevational view of the display stand in accordance with the first embodiment of the invention.

FIG. 3 is a second side elevational view of the display stand in accordance with the first embodiment of the invention.

FIG. 4 is a front elevational view of the display stand in accordance with the first embodiment of the invention; and, FIG. 5 is a rear elevational view of the display stand in accordance with the first embodiment of the invention.

Features shown in broken lines represent environment only and do not form part of the claimed design.

The display stand is shown with a break to indicate non-specified length. The appearance of any portion of the article between the break lines forms no part of the claimed design.

1 Claim, 3 Drawing Sheets
