(57) **CLAIM**

The ornamental design for a magnetic privacy screen with shutter, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a magnetic privacy screen with shutter in accordance with my design.
FIG. 2 is a perspective view of a magnetic privacy screen with shutter in accordance with my design.
FIG. 3A is a front view of a magnetic privacy screen with shutter in which the shutter is in a first position in accordance with my design.
FIG. 3B is a front view of a magnetic privacy screen with shutter in which the shutter is in a second position in accordance with my design.
FIG. 4A is a back view of a magnetic privacy screen with shutter in which the shutter is in a second position in accordance with my design.
FIG. 4B is a back view of a magnetic privacy screen with shutter in which the shutter is in a first position in accordance with my design.
FIG. 5 is a side view of a magnetic privacy screen with shutter in accordance with my design.
FIG. 6 is an enlarged perspective view of a part of a magnetic privacy screen with shutter in accordance with my design; and,
FIG. 7 is an enlarged perspective view of a part of a magnetic privacy screen with shutter in accordance with my design.
The broken lines in the drawings depict unclaimed environmental subject matter.
