(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with graphical user interface, showing our new design;

FIG. 2 is a front view showing a second embodiment thereof;

FIG. 3 is a front view showing a third embodiment thereof;

FIG. 4 is a front view showing a fourth embodiment thereof;

FIG. 5 is a front view showing a fifth embodiment thereof;

FIG. 6 is a front view showing a sixth embodiment thereof;

FIG. 7 is a front view showing a seventh embodiment thereof; and,

FIG. 8 is a front view showing an eighth embodiment thereof.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

The outermost broken line rectangle showing of the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 8 Drawing Sheets
