(57) **CLAIM**

The ornamental design for an adjustable pin for a fingernail clipper, as shown and described.

DESCRIPTION

FIG. 1 is an exploded perspective view of an adjustable pin for a fingernail clipper, showing my new design; FIG. 2 is a left side view of the receptacle part of an adjustable pin for a fingernail clipper, shown separately to show aspects of the design that are not visible when combined. The right side view is a mirror image thereof; FIG. 3 is a top view thereof; FIG. 4 is a bottom view thereof; FIG. 5 is a back view thereof; FIG. 6 is a front view thereof; FIG. 7 is a left side view of the screw part of an adjustable pin for a fingernail clipper, shown separately to show aspects of the design that are not visible when combined. The right side, top and bottom views are a mirror image thereof; FIG. 8 is a front view thereof; FIG. 9 is a back view thereof; FIG. 10 is a side view of the receptacle part of the adjustable pin showing the location of the section 11-11; and, FIG. 11 is a sectional view thereof of the section marked in FIG. 10.

1 Claim, 5 Drawing Sheets
