(57) **CLAIM**

The ornamental design for a carry cot for a stroller, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is an upper, right side, and front perspective view of a carry cot for a stroller showing the new design;

FIG. 2 is a right side perspective view thereof, the left side perspective view being a mirror image of the right side perspective view;

FIG. 3 is a front perspective view thereof;

FIG. 4 is a rear perspective view thereof;

FIG. 5 is a top perspective view thereof; and,

FIG. 6 is a bottom perspective view thereof, with the canopy of the carry cot for a stroller collapsed.
