(57) **CLAIM**

The ornamental design for a curved edge trigger dampening absorber, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a curved edge trigger dampening absorber, showing our new design; FIG. 2 is another perspective view thereof; FIG. 3 is a top elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a front elevational view thereof; and, FIG. 6 is a right side elevational view thereof; FIG. 7 is a back elevational view thereof; and FIG. 8 is a bottom elevational view thereof; and, FIG. 9 is an environmental view thereof showing an installation between the trigger mechanism and frame of a gun. The broken lines showing the trigger mechanism and frame of a gun are for the purpose of illustrating environmental structure and form no part of the claimed design.
