See application file for complete search history.

2. Washing machine for machined parts

2.1: Front

2.2: Back

2.3: Left

2.4: Right

2.5: Top

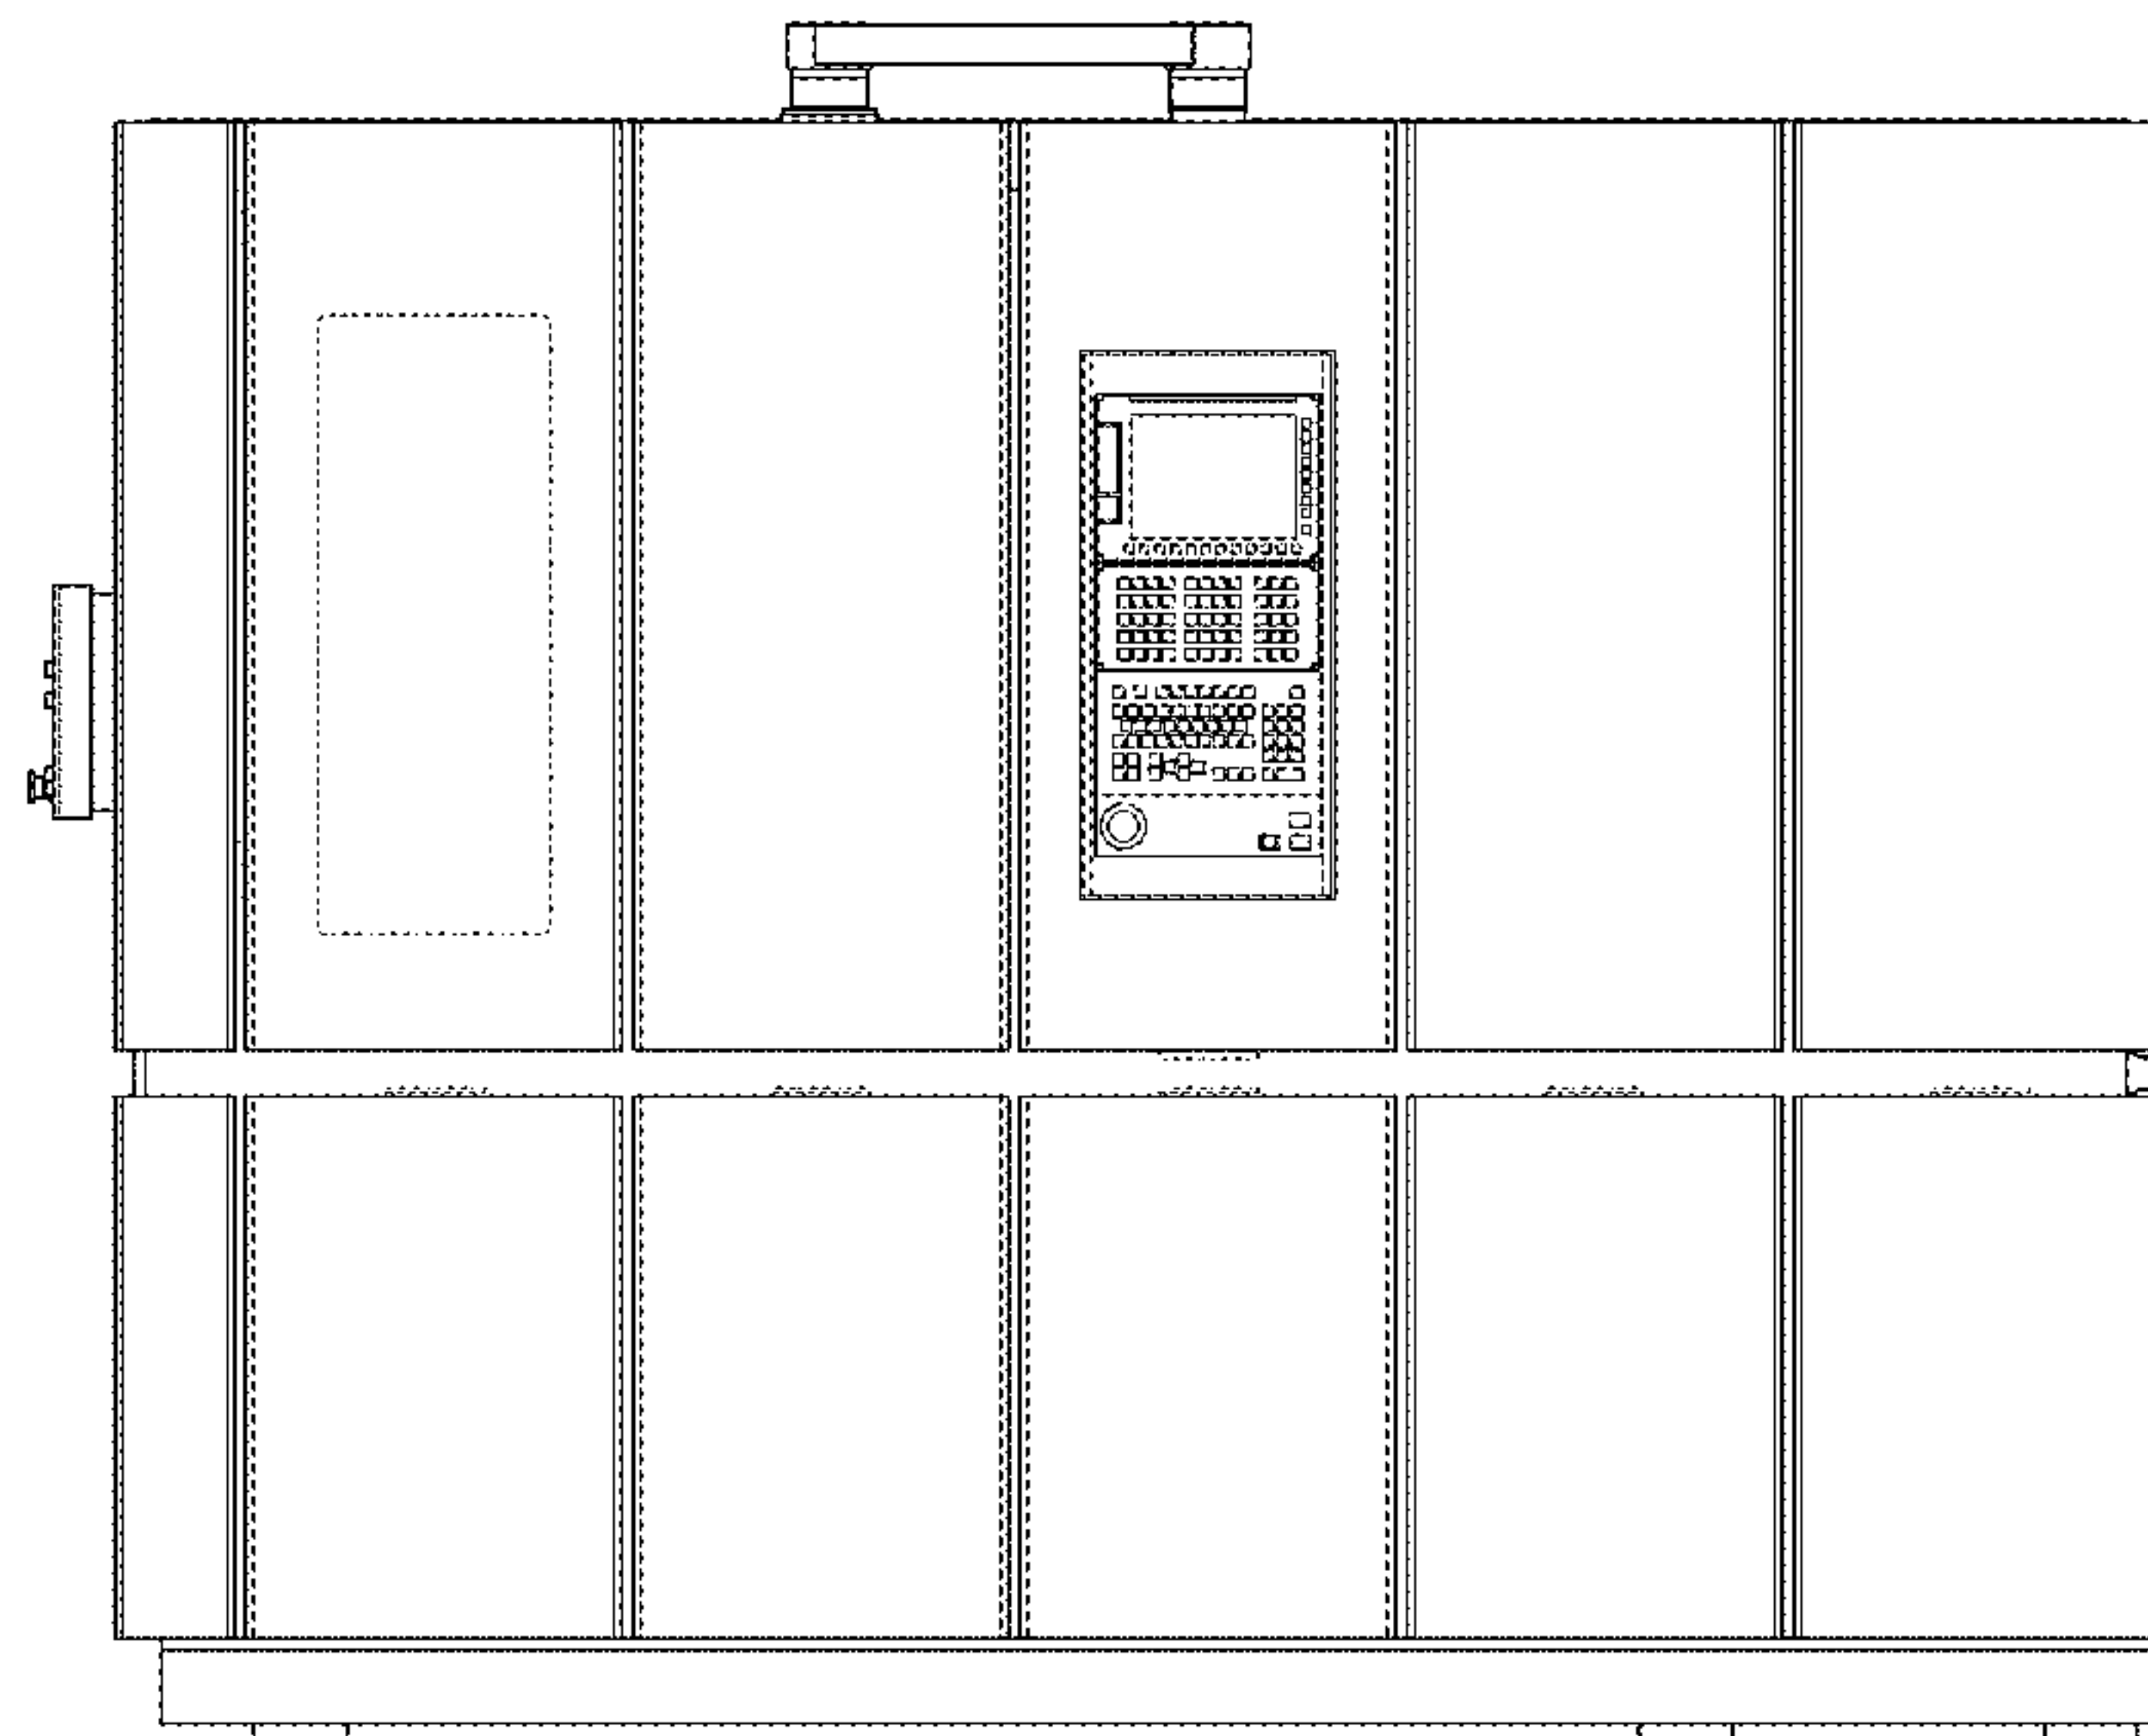

2.6: Perspective

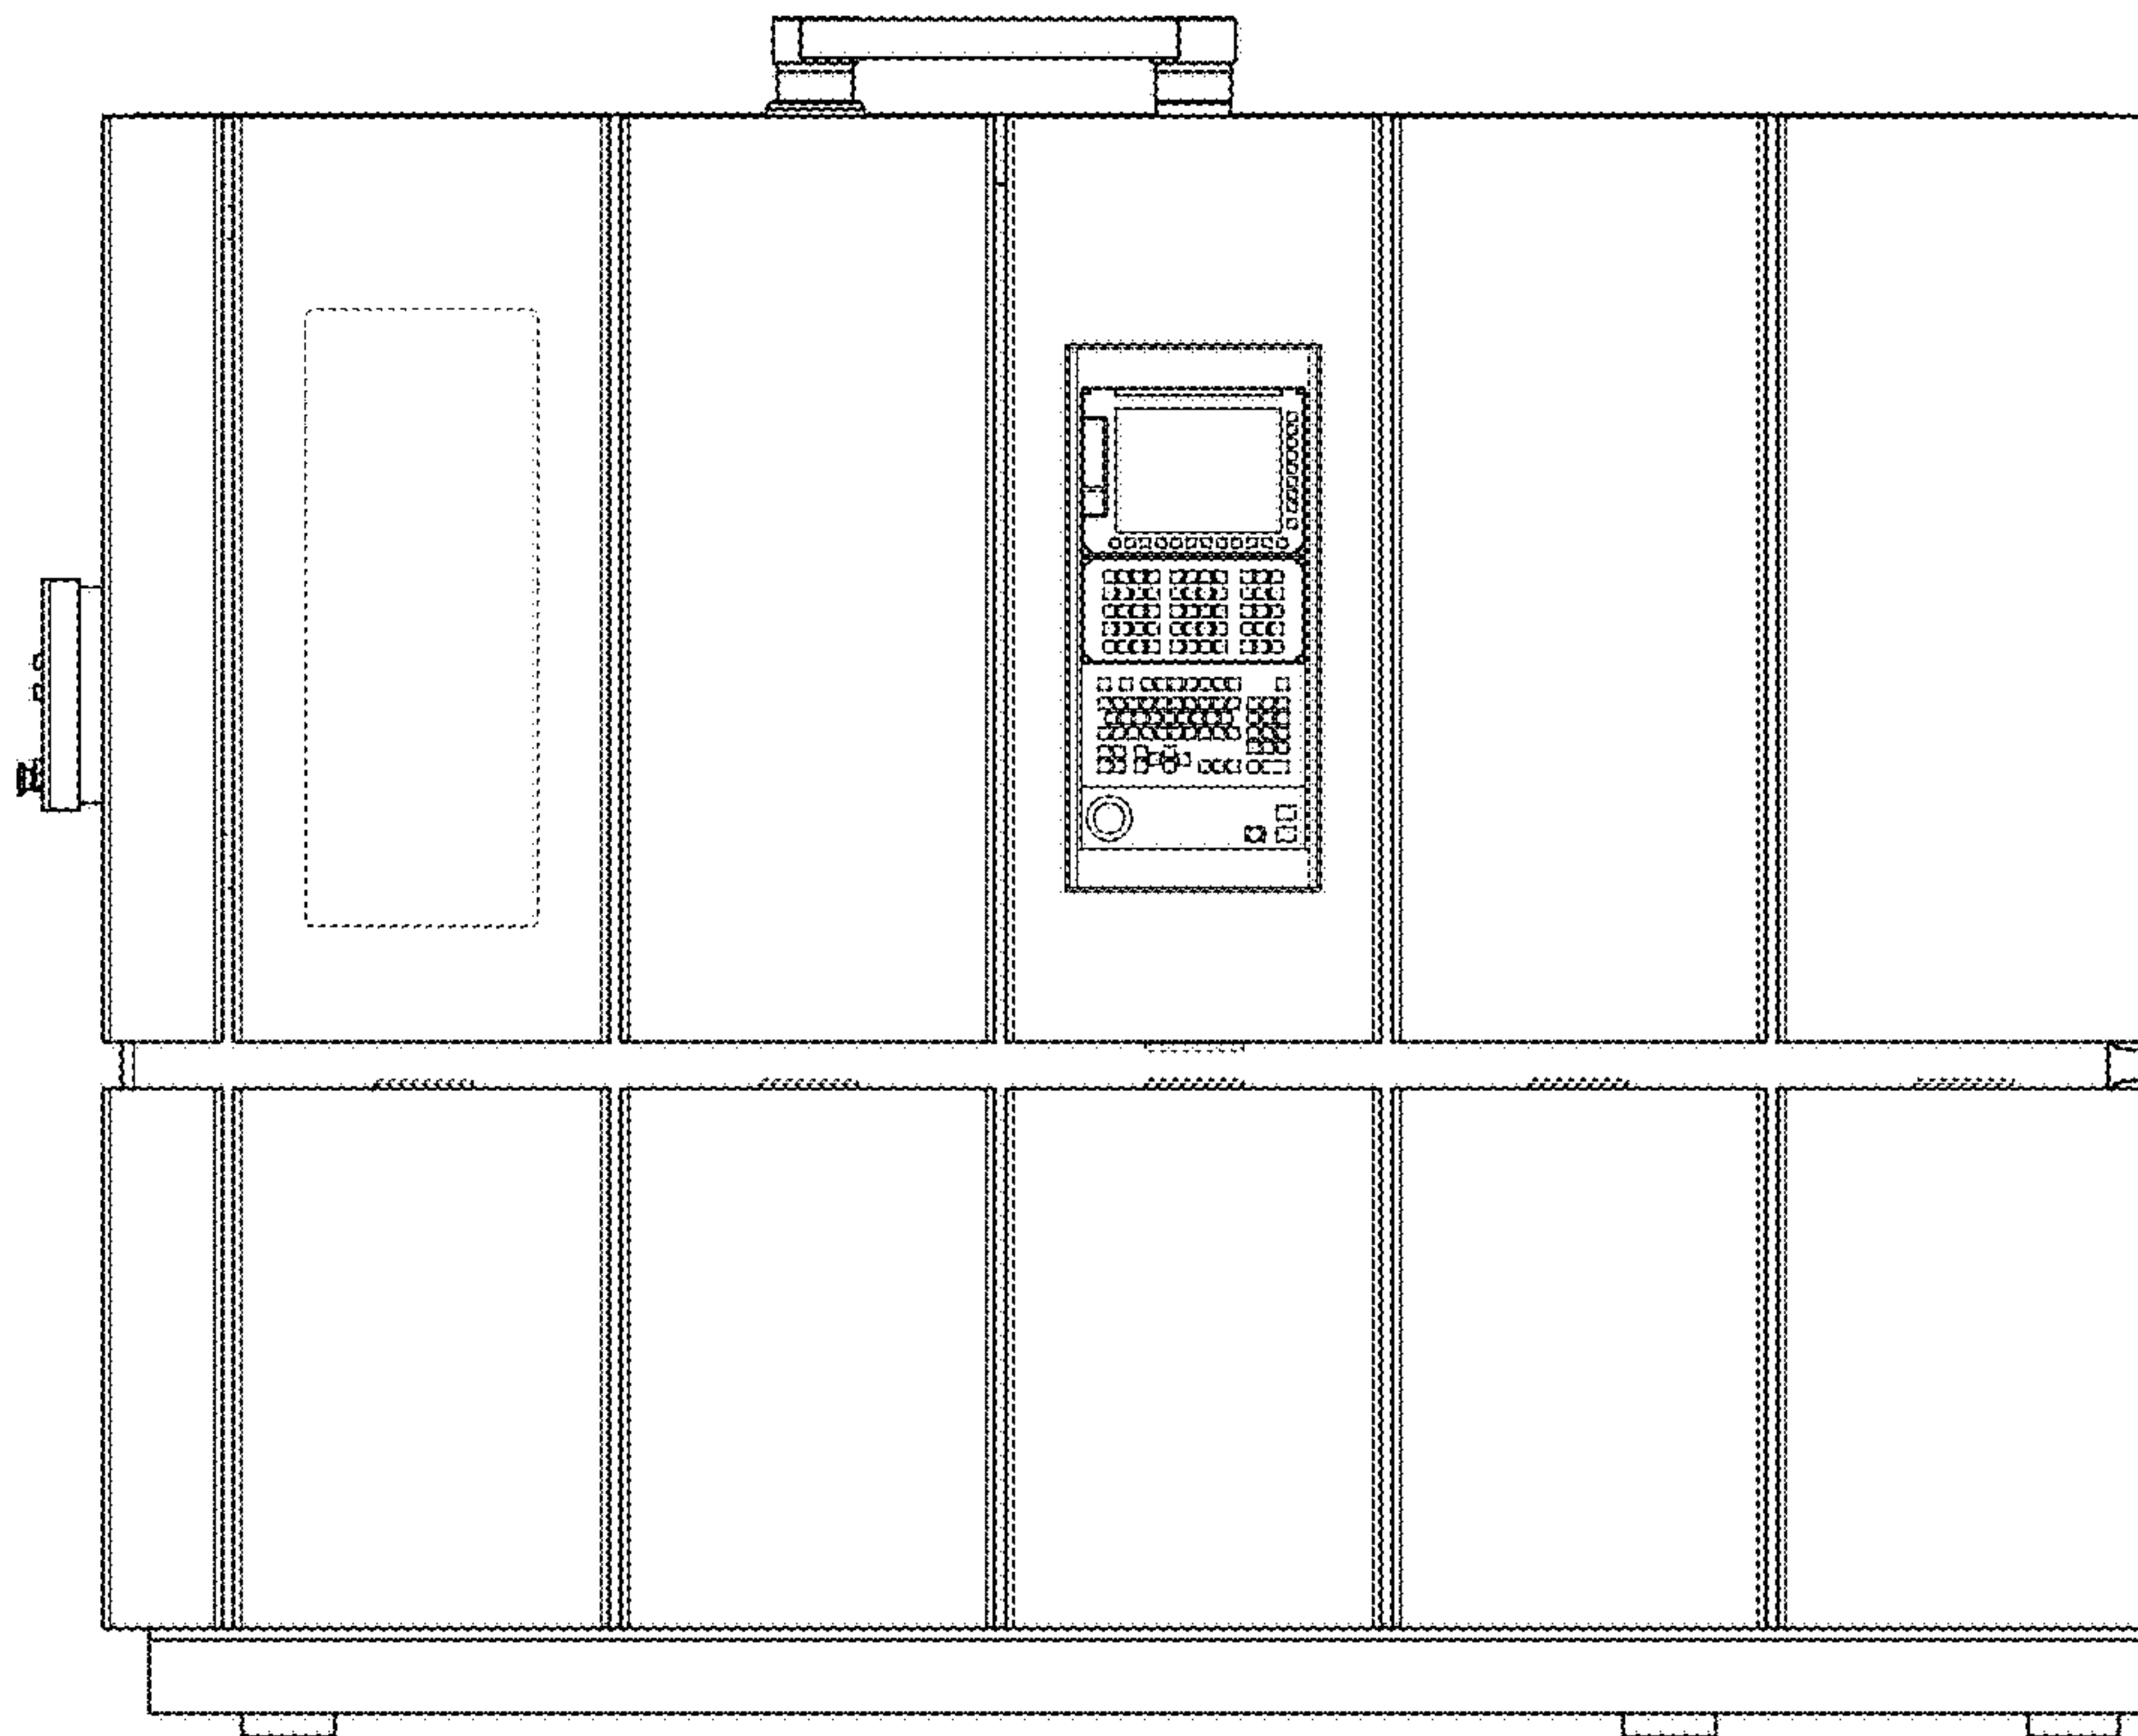

2.7: Perspective

2.8: Perspective showing a state in which a slide type door is opened and a numerical value controller is pulled out

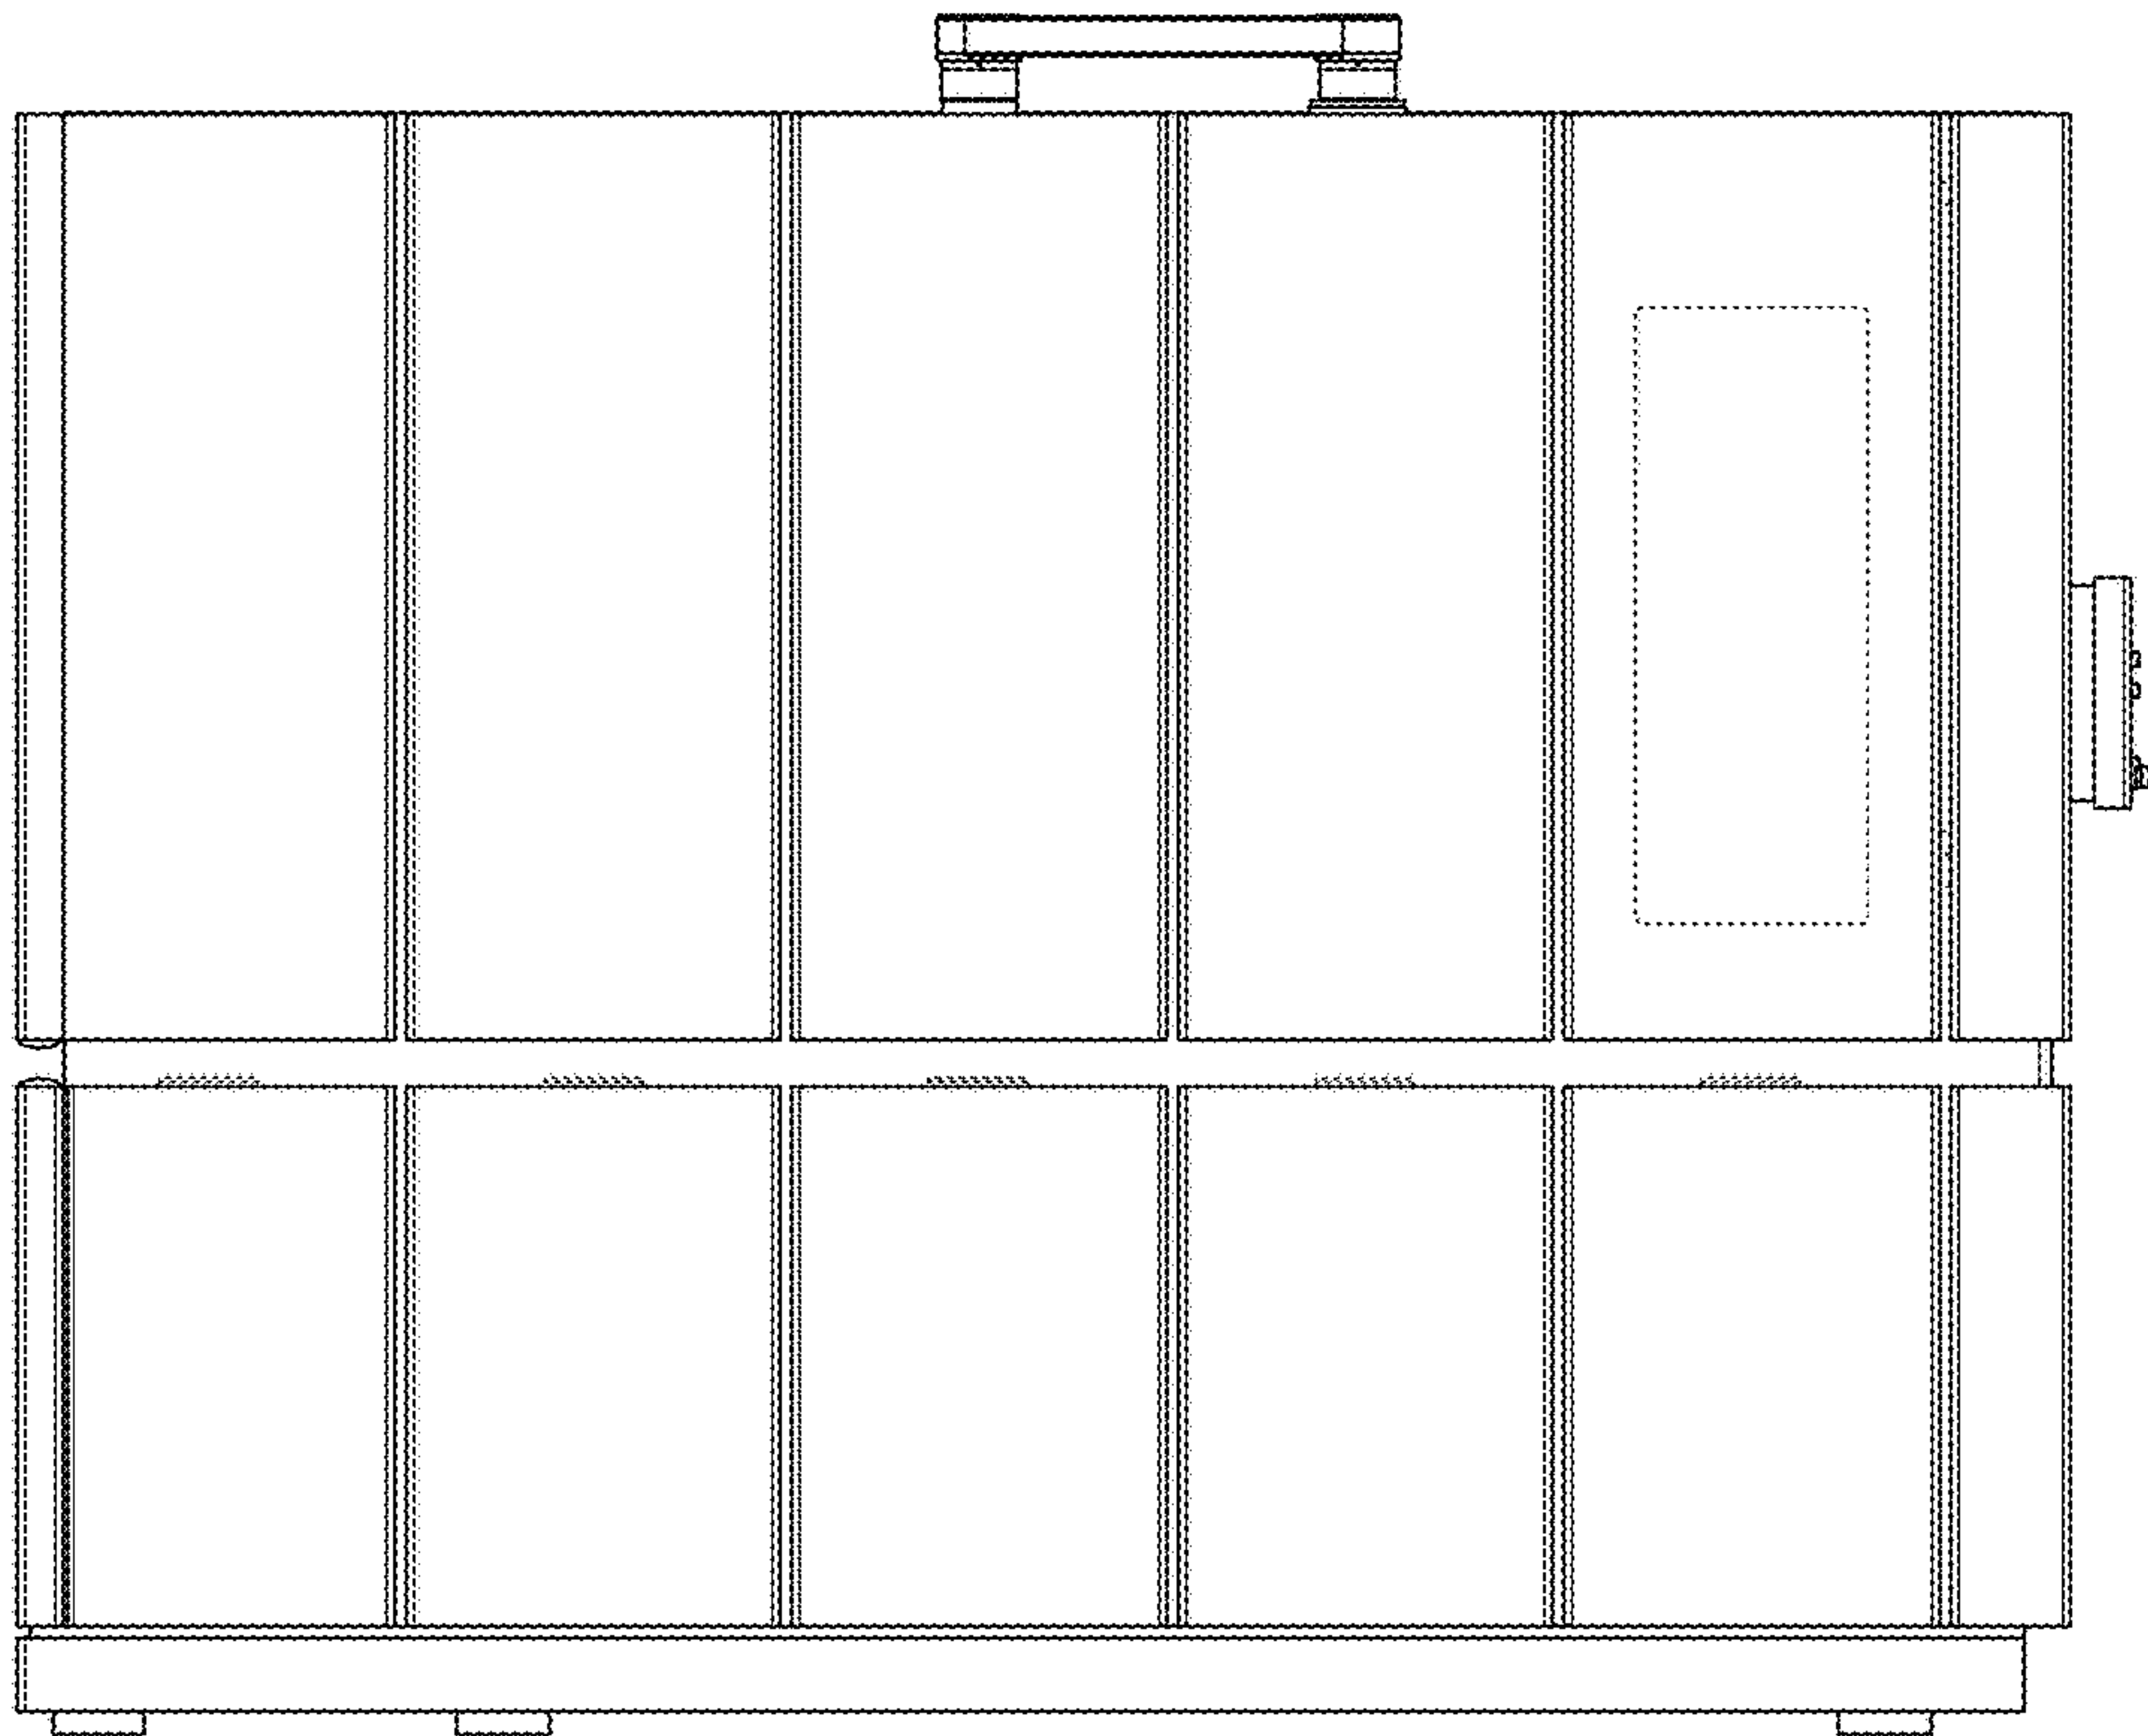

The broken line showing of the washing machine for machined parts is for the purpose of illustrating portions of the article and forms no part of the claimed design.
