(57) **CLAIM**

We claim the ornamental design for a pocket case for mobile communications devices with carrying compartment for credit card sized items, as shown and described.

DESCRIPTION

FIG. 1 is a back perspective view of a pocket case for mobile communications devices with carrying compartment for credit card sized items, shown with an unclaimed mobile communications device, in a condition of use.

FIG. 2 is a front perspective view of the pocket case for mobile communications devices with carrying compartment for credit card sized items, shown with the mobile communications device removed.

FIG. 3 is a back plan view thereof.

FIG. 4 is a front plan view thereof, the side being the side opposite of the side shown in FIG. 3.

FIG. 5 is a side elevation view thereof.

FIG. 6 is a side elevation view thereof, the side being the side opposite of the side shown in FIG. 5.

FIG. 7 is a top elevation view thereof; and,

FIG. 8 is bottom elevation view thereof.

The broken lines, and unshaded regions adjacent to the broken lines, in FIG. 1 which depict a mobile communications device represent environmental subject matter that forms no part of the claimed design. The broken line features on the back surface of the article represent portions of the pocket case for mobile communications devices with carrying compartment for credit card sized items that form no part of the claimed design.
