(57) **CLAIM**

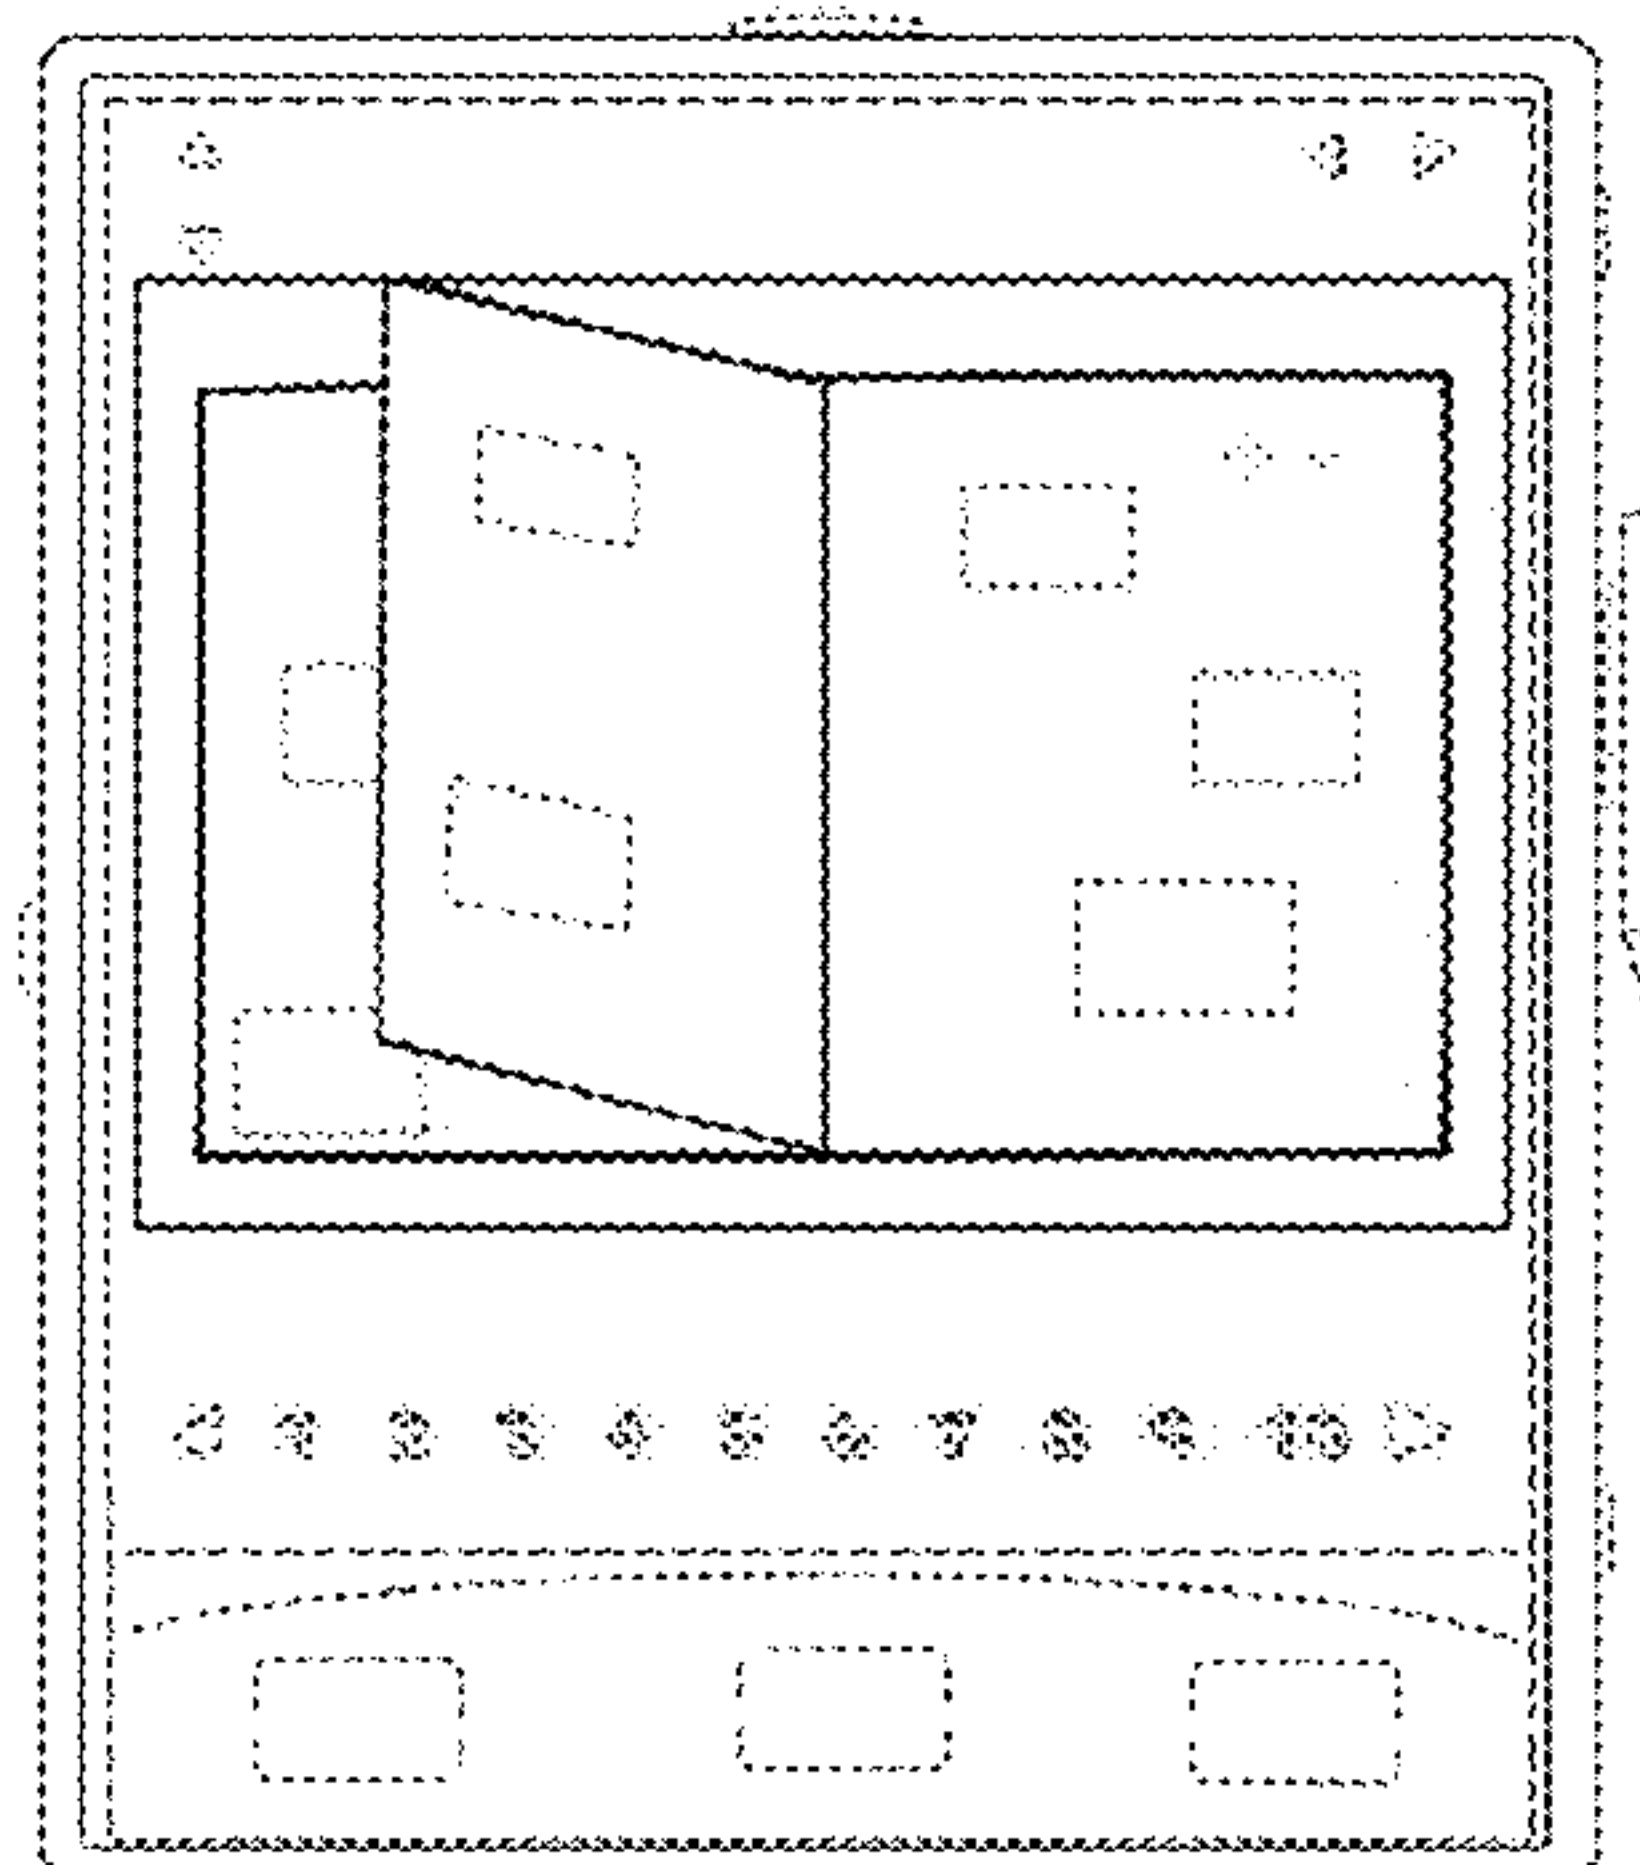

The ornamental design for an electronic display panel with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of an electronic display panel with a graphical user interface showing my new design.

The broken lines showing a stylus and protrusions from the display screen are included for the purpose of illustrating environmental structure and form no part of the claimed design. The broken lines showing graphical user interface elements are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
