(57) **CLAIM**

The ornamental design for a boat strip light and housing, as  
shown and described.

#### DESCRIPTION

FIG. 1 is a perspective view of my new design for the boat  
strip light and housing with the screw holes at each end of  
the housing.

FIG. 2 is a top view of my new design for a boat strip light  
and housing of FIG. 1.

FIG. 3 is an end view of my new design for a boat strip light  
and housing of FIG. 1, showing a gasket and screws in  
broken lines that are not part of the claimed design, but  
helpful to disclose the environment in which the design may  
be used.

FIG. 4 is a side view of my new design for a boat strip light  
and housing of FIG. 1, showing the gasket and screws, as  
well as the power connector (on the center of the under-  
signed of housing), in broken lines as part of the environ-  
ment; and,

FIG. 5 is a bottom view of my new design for a boat strip  
light and housing of FIG. 1.
