(57) **CLAIM**

I claim the ornamental design for an wall plate with multi-input AV, as shown and as described.

DESCRIPTION

FIG. 1 is a perspective view of a wall plate with multi-input AV

FIG. 2 is a front view thereof;

FIG. 3 is a back view thereof;

FIG. 4 is a side view thereof;

FIG. 5 is the other side view thereof;

FIG. 6 is a top view thereof; and,

FIG. 7 is a bottom view thereof.

The broken lines shown represent portions of the wall plate with multi-input AV that form no part of the claimed design. Where the dot-dash broken lines abut the shaded surface it is understood that those broken lines represent an unclaimed boundary between claimed and unclaimed surfaces. None of the broken lines form any part of the claimed design.
