(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

DESCRIPTION

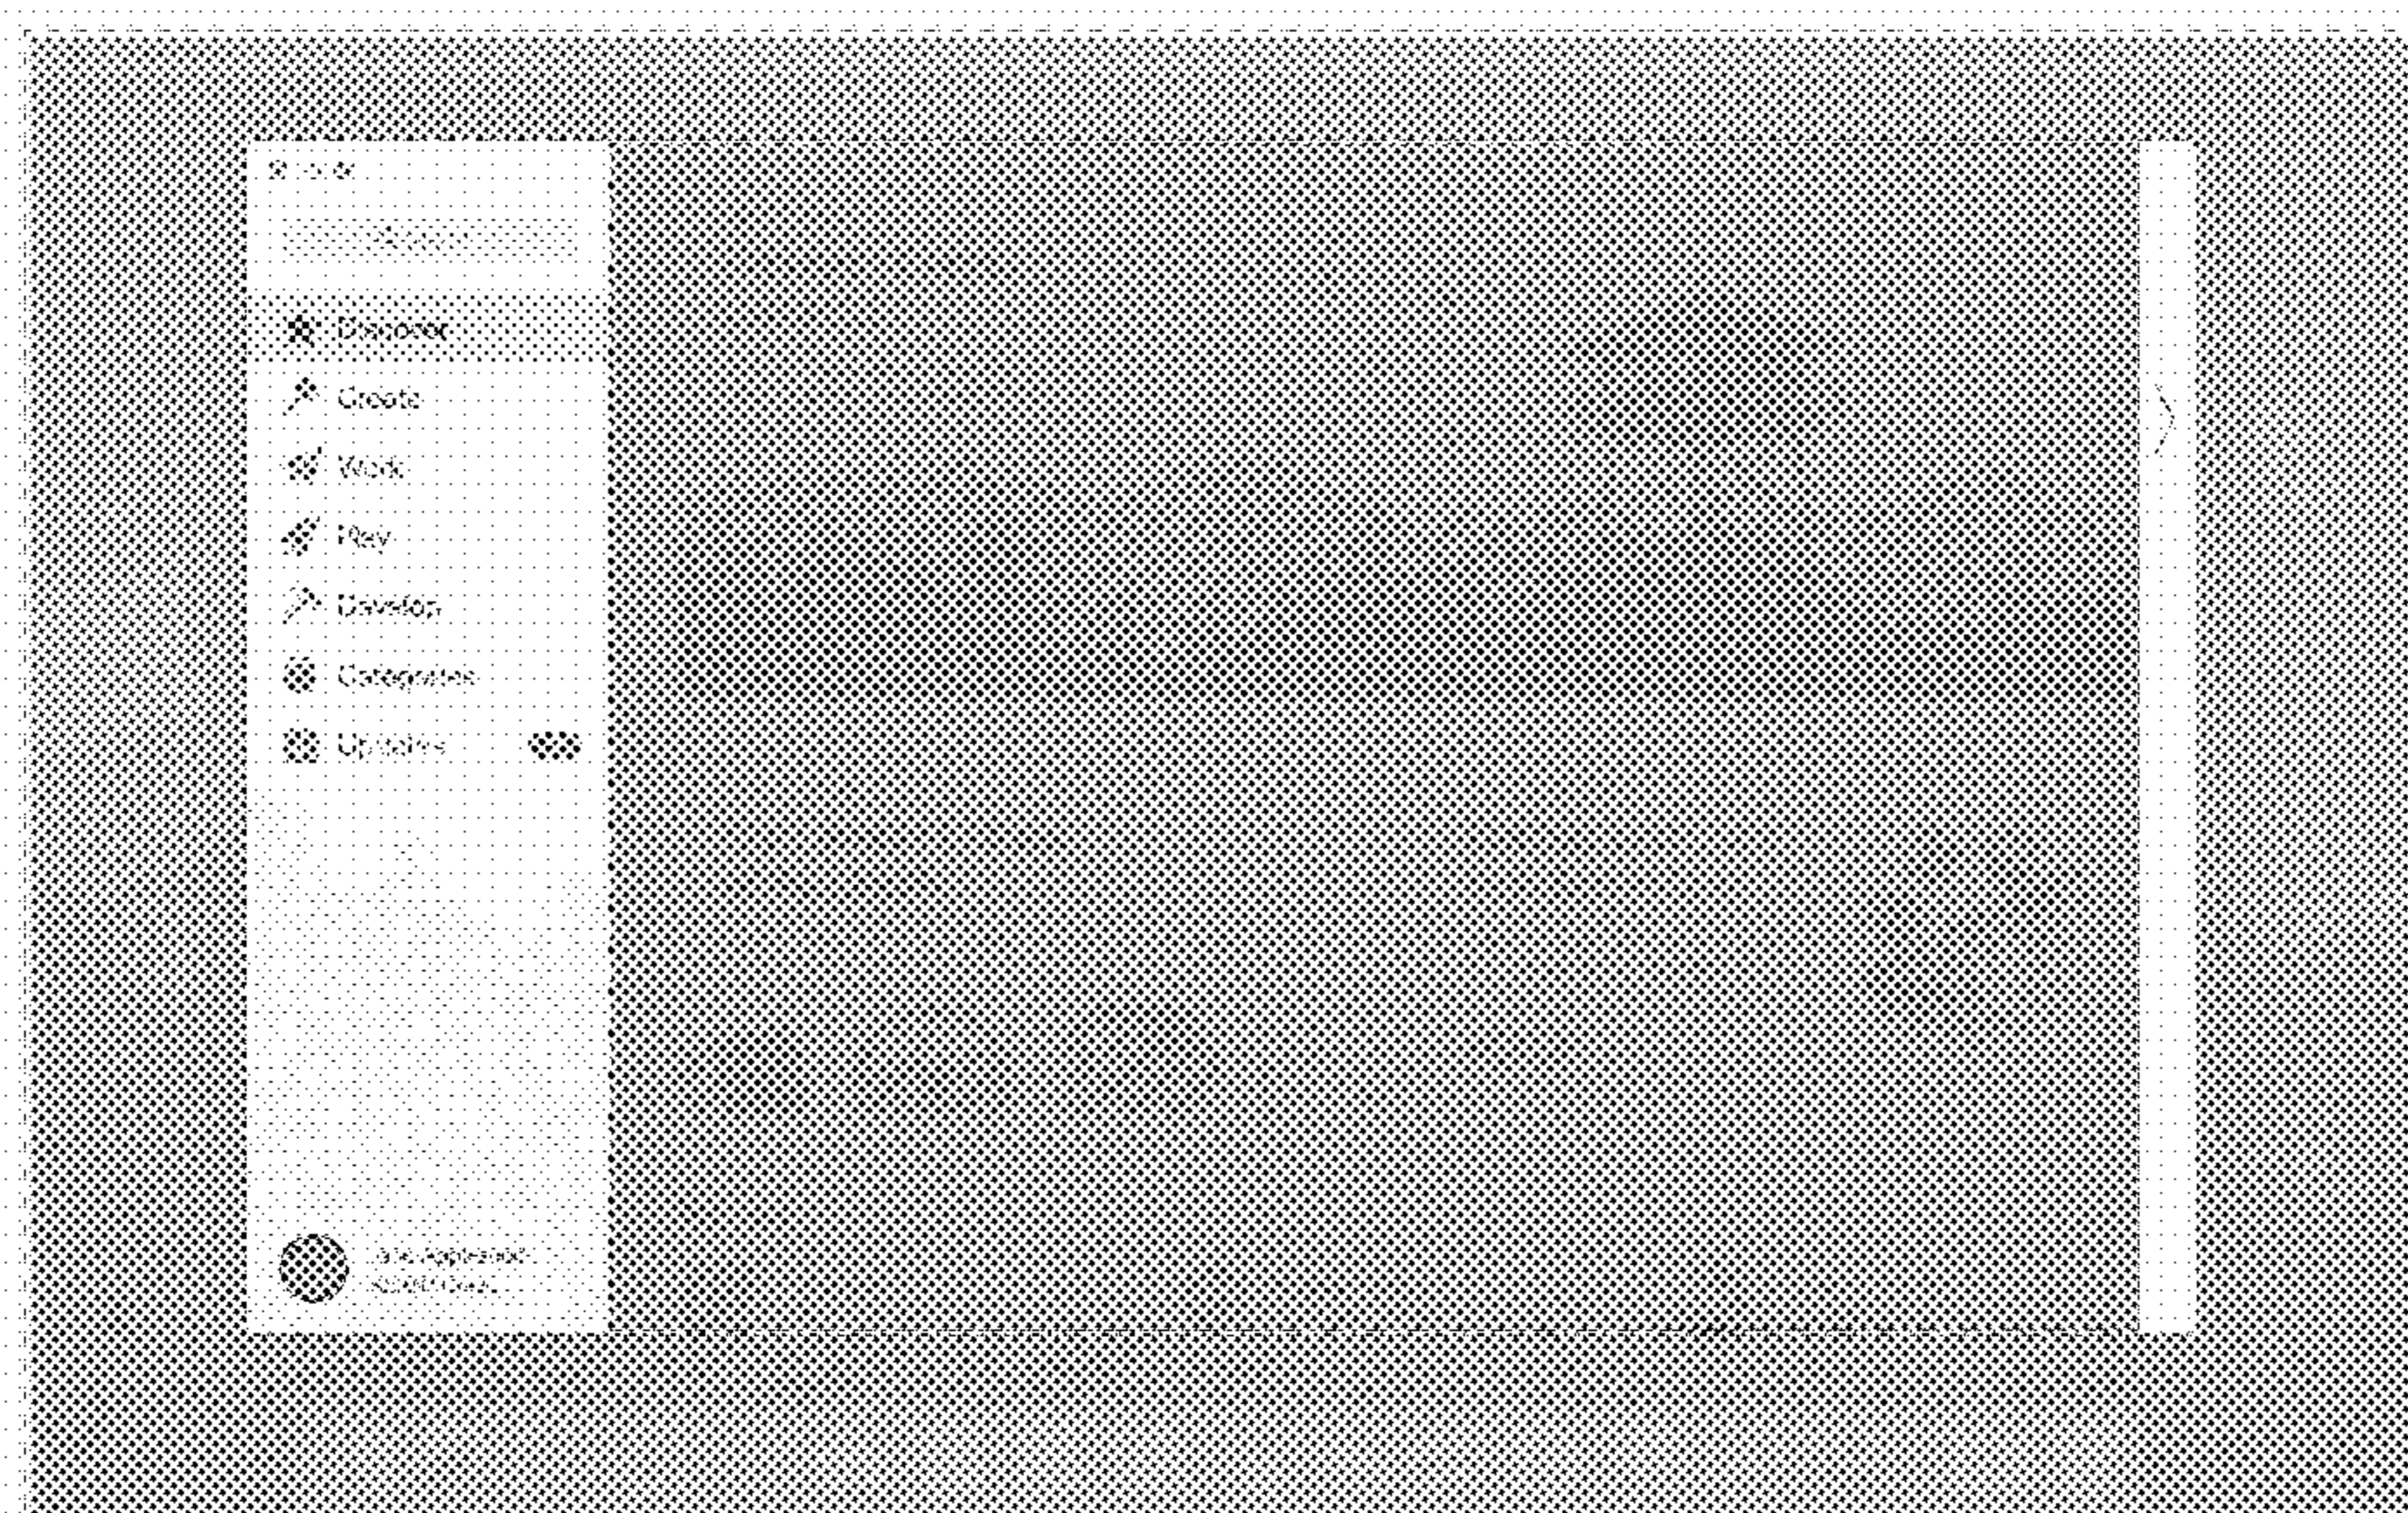

FIG. 1 is a front view of an electronic device with graphical user interface showing the claimed design; and, FIG. 2 is a front view of an alternate electronic device showing the graphical user interface of FIG. 1 applied thereto.

The outer dashed broken lines in the figures show an electronic device having a display screen, or an alternate electronic device having a display screen, and form no part of the claimed design. The other dashed broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.

1 Claim, 2 Drawing Sheets
