(57) **CLAIM**

I claim the ornamental design for a fabric with pattern, as shown and described.

**DESCRIPTION**

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the reproduction of the patent document or the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright rights whatsoever.

The sole FIGURE is a top plan view of the fabric with pattern of the new design.

The reverse side of the fabric with pattern is not included in the claim.
