(57) **CLAIM**

The ornamental design for a “solar power LED security light,” as shown and described.

**DESCRIPTION**

FIG. 1 is a front, bottom and right perspective view of a solar power LED security light showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a right side elevational view thereof; FIG. 6 is a top plan view thereof; FIG. 7 is a bottom plan view thereof; FIG. 8 is a rear, top and left perspective view thereof; FIG. 9 is another front, bottom and right perspective view thereof, but showing the broken line universal joint pin in a different position; and, FIG. 10 is another rear, top and left perspective view thereof, but with a broken line showing of a wall-mounted seat connected to the universal joint pin. The broken lines in the drawings illustrate portions of the solar power LED security light that form no part of the claimed design.
