The present application is related to application Ser. No.
29/491,937, entitled autonomous vehicle overall interior; to
application Ser. No. 29/491,870, entitled autonomous
vehicle storage bin/tray; to application Ser. No. 29/491,867,
entitled autonomous vehicle console; to application Ser. No.
29/491,868, entitled autonomous vehicle seat; and to appli-
cation Ser. No. 29/491,885, entitled autonomous vehicle
control buttons, each of which is filed concurrently herewith,
the entire disclosures of which are incorporated by reference
herein.

The FIGURE is a top view of an image for an autonomous
vehicle pull over button according to our design.
The features shown in broken lines are environmental only
and form no part of the claimed design.
As shown in the figure, the autonomous vehicle pull over
button is planar.
