DESCRIPTION

FIG. 1 is a top view of a flying machine housing showing the claimed design;
 FIG. 2 is a front view of the flying machine (the right side, left side, and rear views all being the same);
 FIG. 3 is a bottom view of the flying machine housing;
 FIG. 4 is a front perspective view of the flying machine housing; and,
 FIG. 5 is a front corner perspective view of the flying machine housing.
 The dashed broken lines depict portions of the flying machine housing that form no part of the claimed design. The dot-dash broken lines represent an inner boundary of the design; the dot-dash line itself and the area within form no part of the claimed design.

1 Claim, 3 Drawing Sheets
