The ornamental design for a remote control charger, as shown and described.

(51) **LOC (12) Cl.** **13-02**

DESCRIPTION

(52) **U.S. Cl.**
USPC **D13/108**

FIG. 1 is a top, front, right side perspective view of a remote control charger showing our new design;
FIG. 2 is a top, back, right side perspective view of the remote control charger;
FIG. 3 is a front view of the remote control charger;
FIG. 4 is a back view of the remote control charger;
FIG. 5 is a top view of the remote control charger;
FIG. 6 is a bottom view of the remote control charger;
FIG. 7 is a left side view of the remote control charger; and,
FIG. 8 is a right side view of the remote control charger.
The broken lines shown in the drawings are for the purpose of illustrating portions of the remote control charger that form no part of the claimed design.
