(57) **CLAIM**

The ornamental design for a display screen or portion thereof with an animated graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

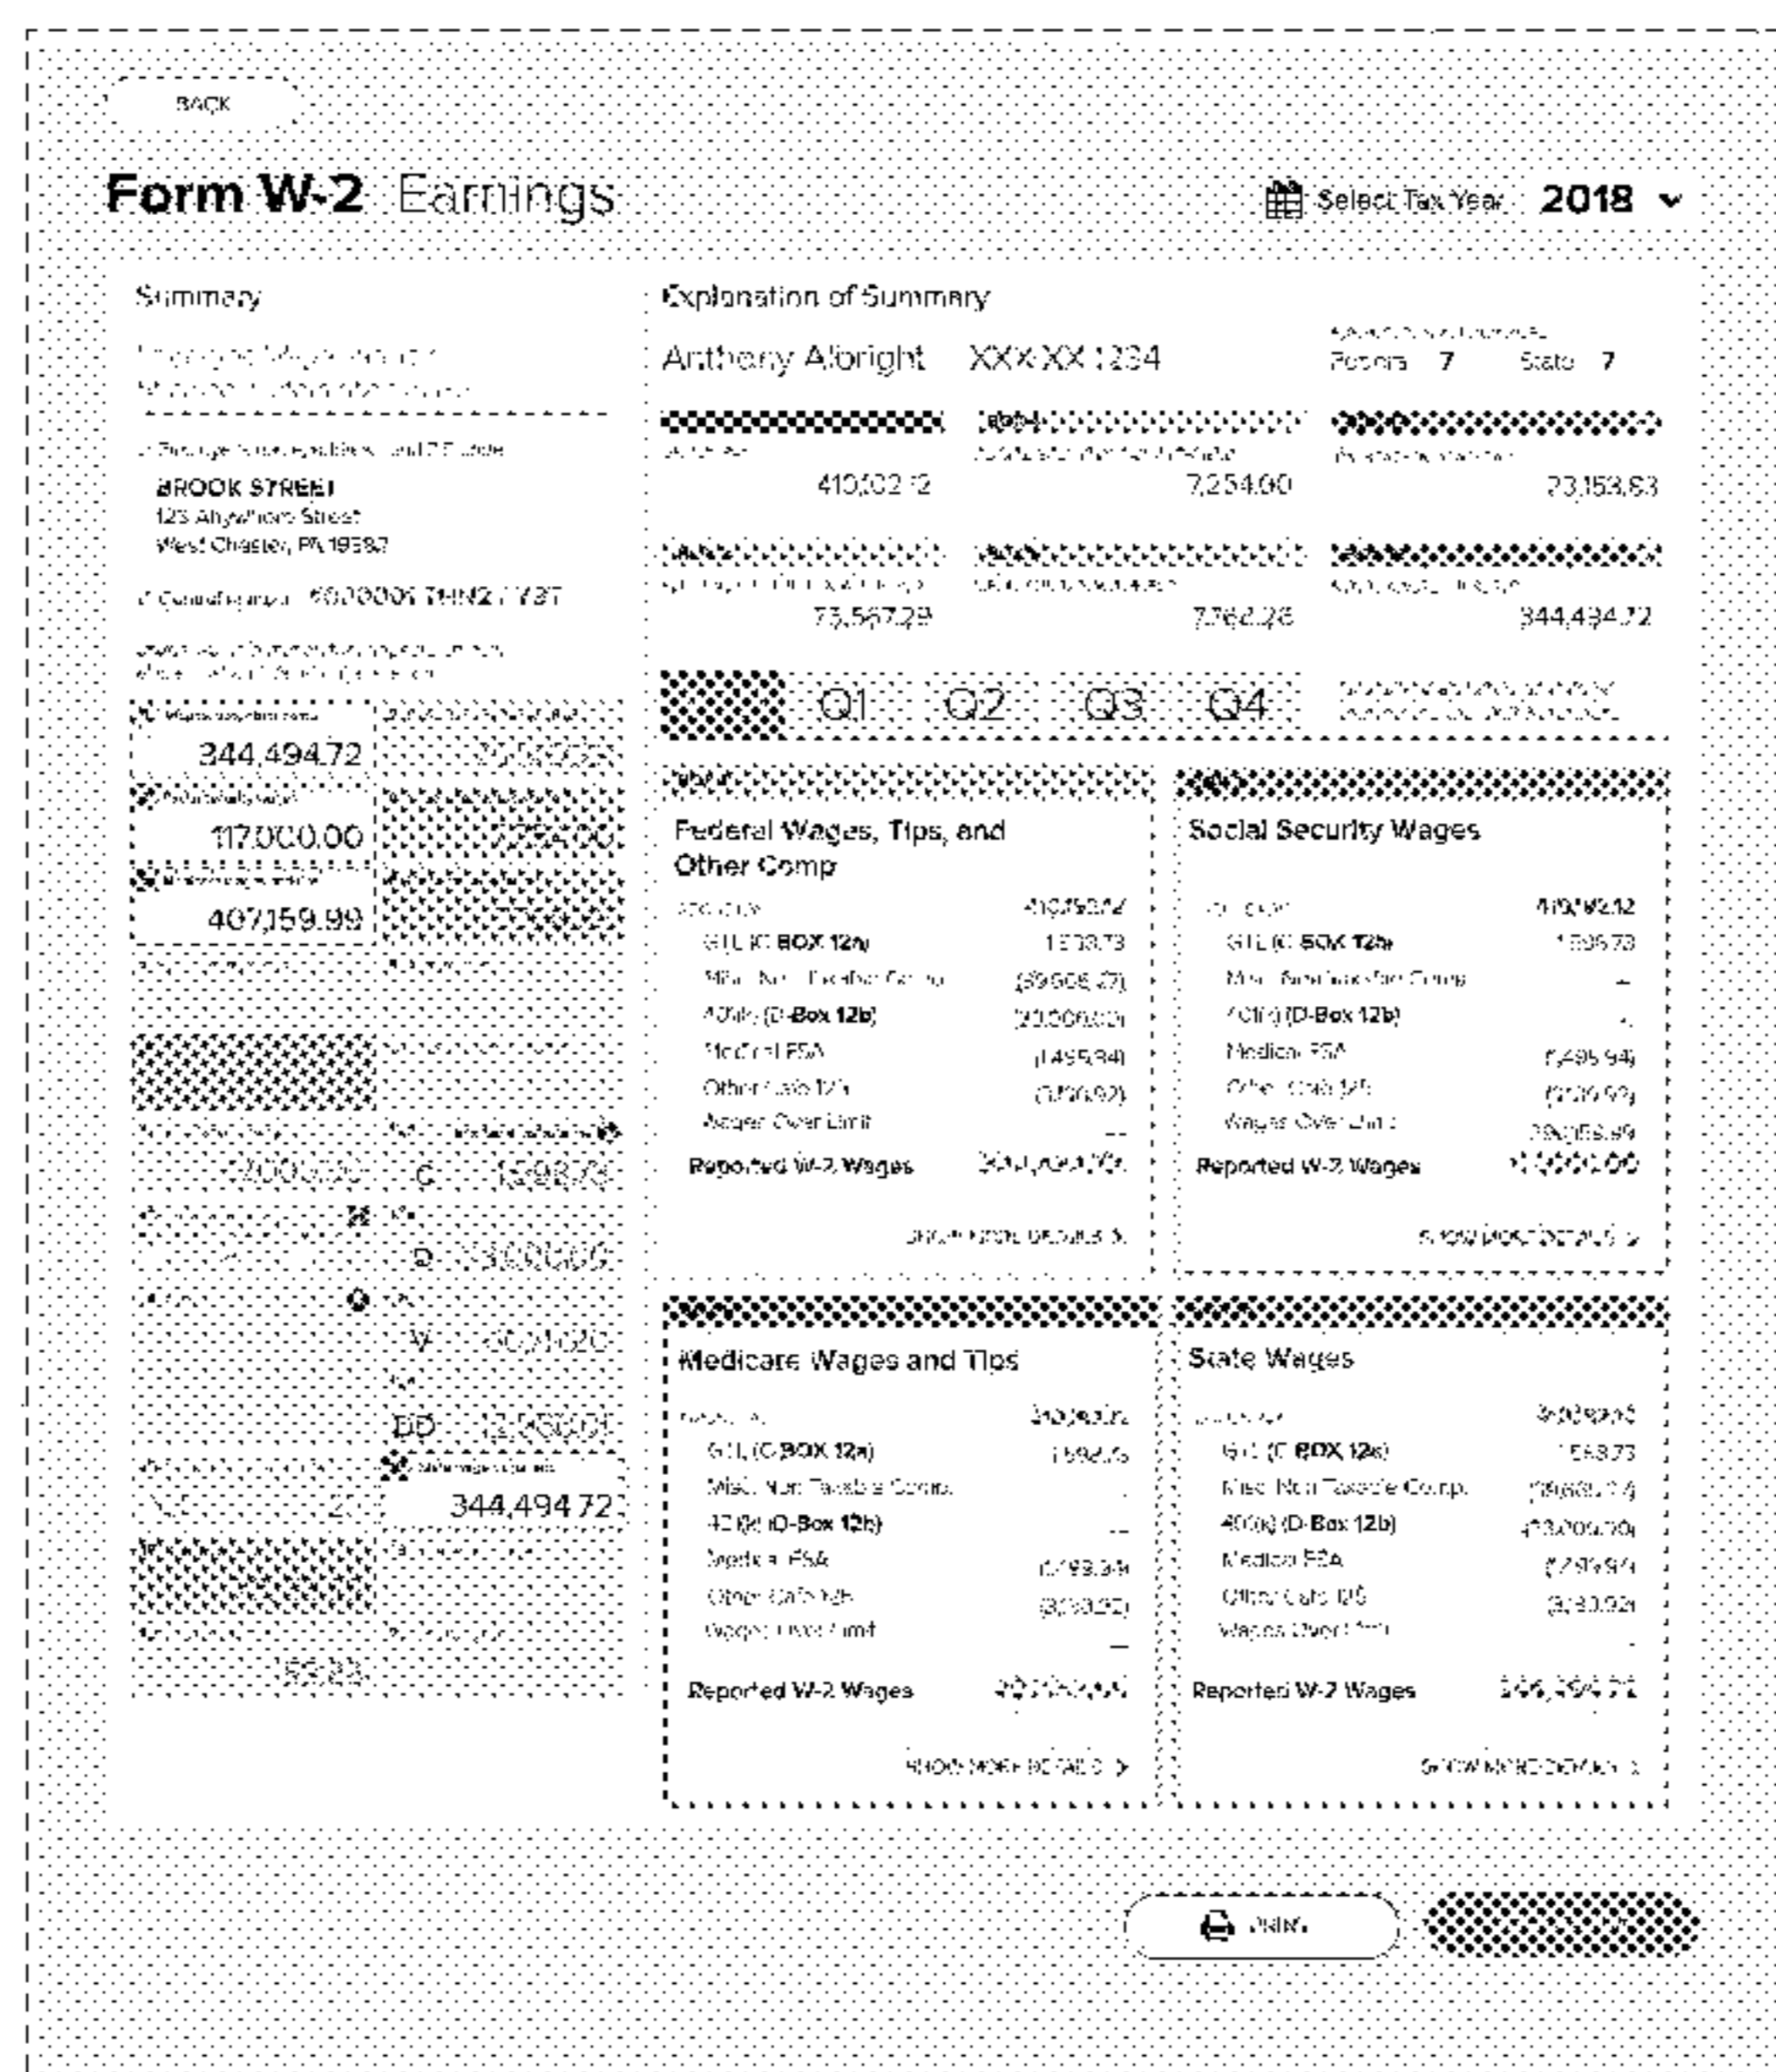

FIG. 1 is a front view of a first image in a sequence of a first embodiment for a display screen or portion thereof with an animated graphical user interface showing our new design; and,

FIG. 2 is a front view of a second image thereof.

The broken lines showing a display screen or portion thereof form no part of the claimed design.

The appearance of the animated images sequentially transitions between the images shown in FIGS. 1-2. The process or period in which one image transitions to another forms no part of the claimed design.
