(57) **CLAIM**

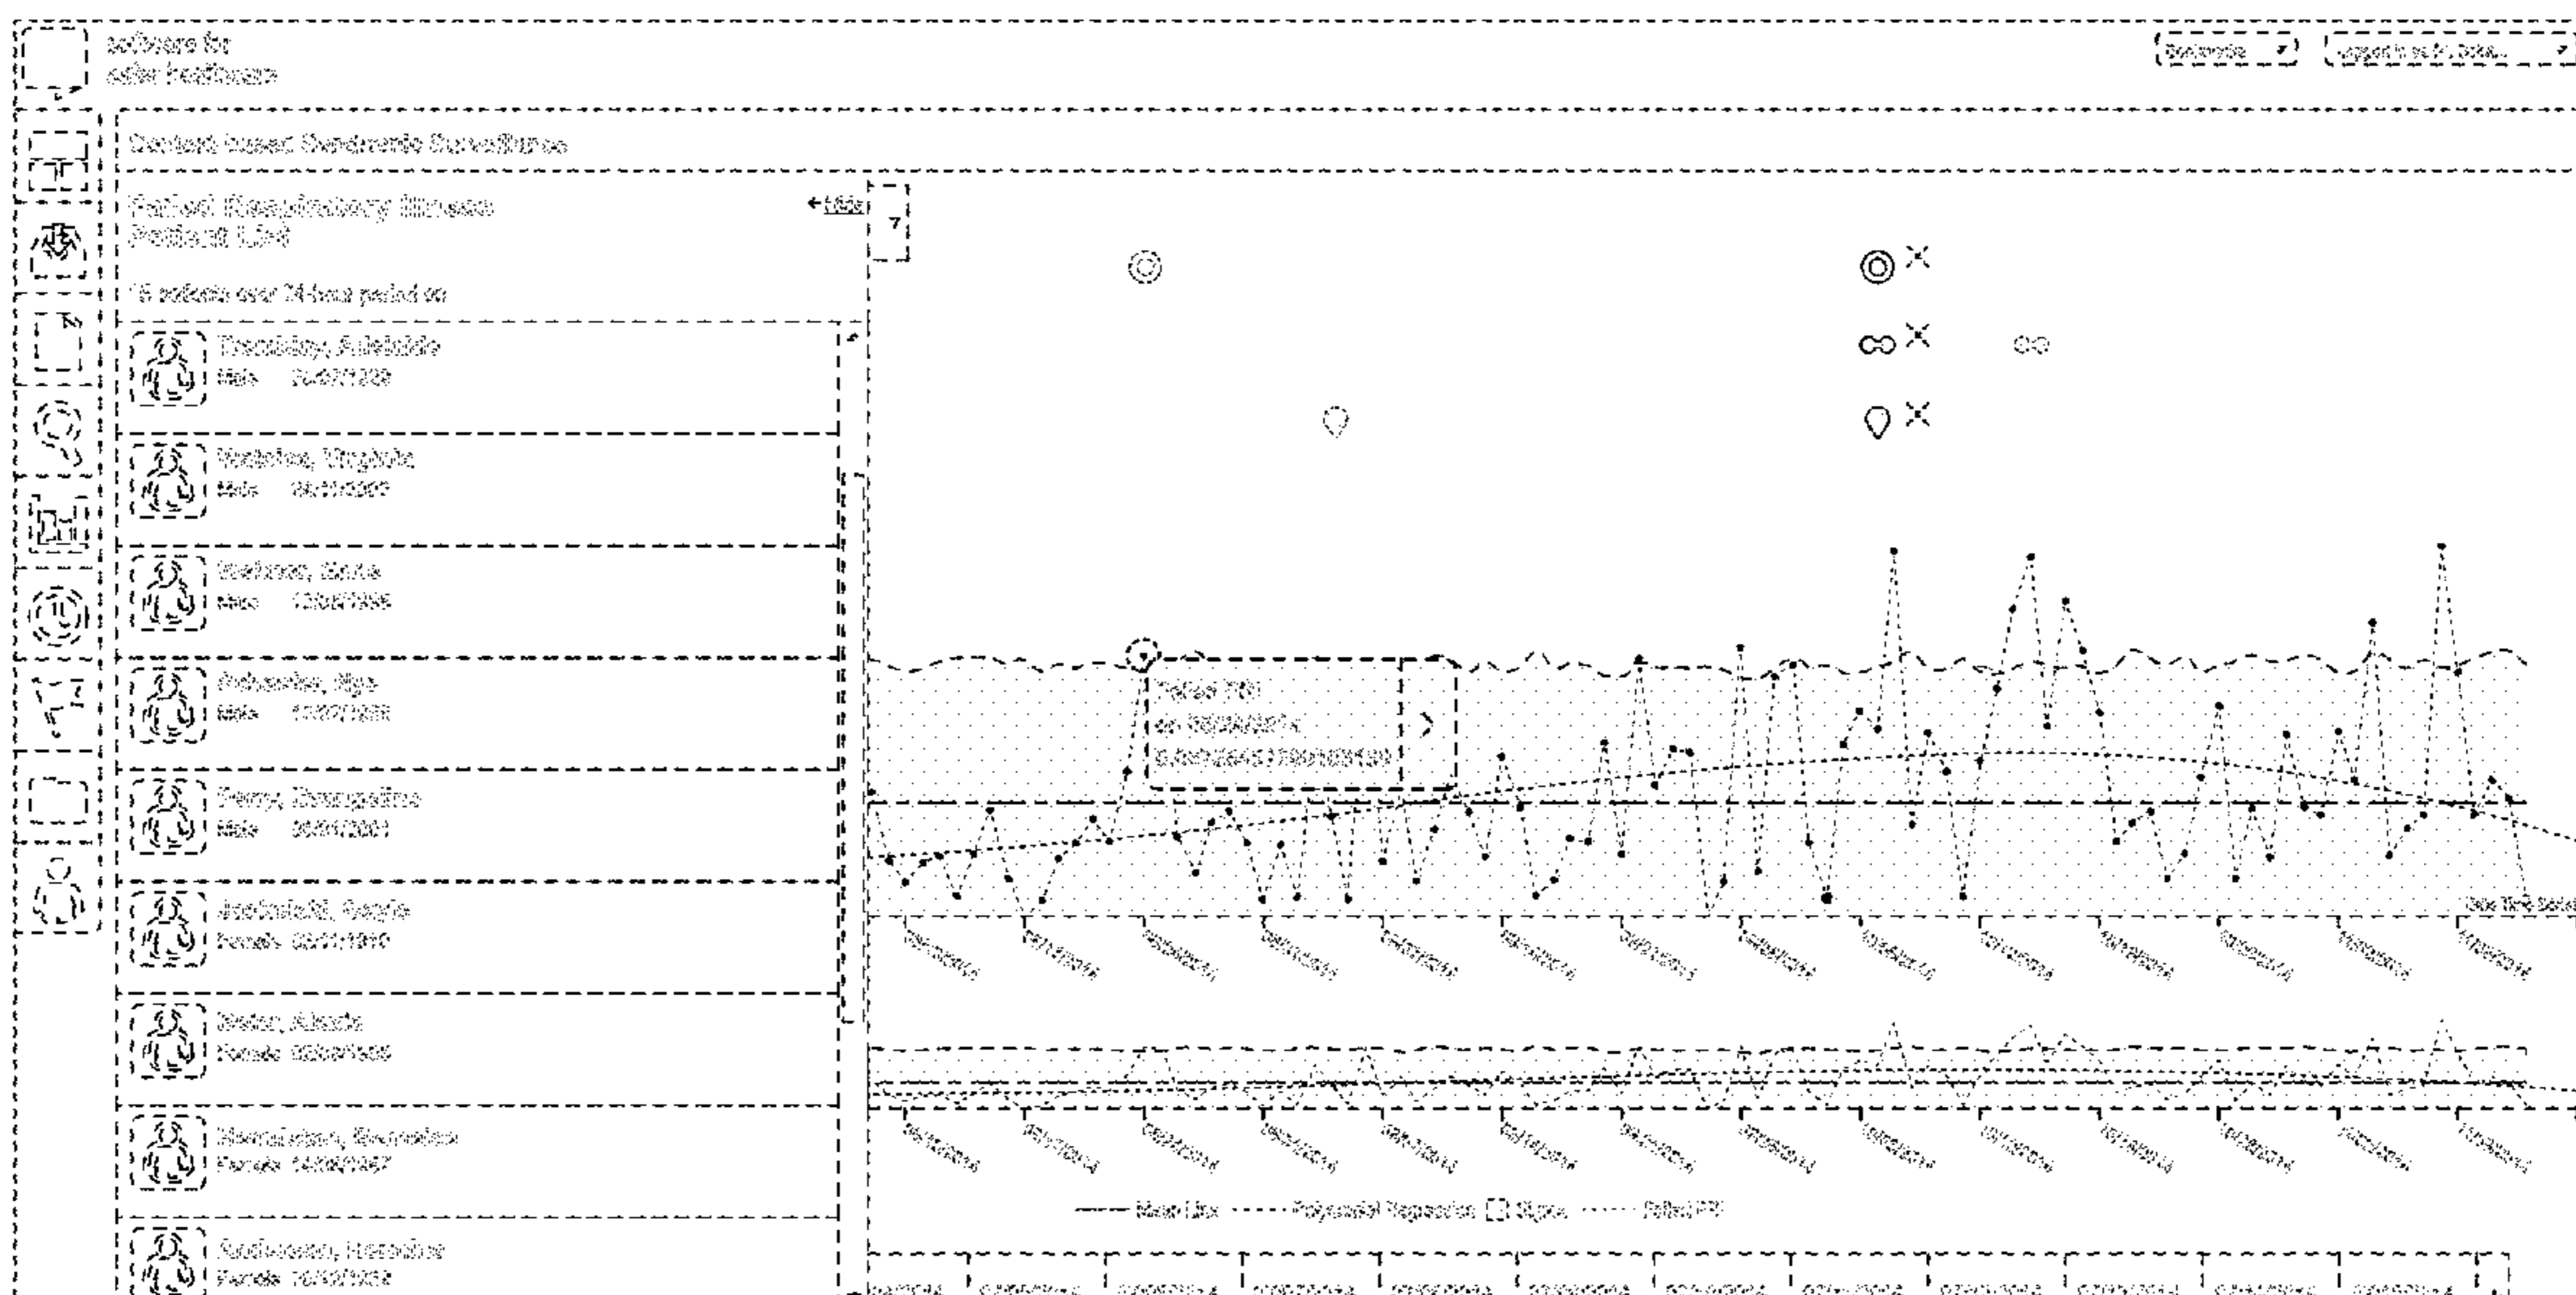

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a display screen or portion thereof with graphical user interface showing our new design.

The outermost broken line showing the display screen or portion thereof, and all other broken lines showing portions of the graphical user interface, illustrate portions of the article and form no part of the claimed design. The broken line showing of the graph, including the black dots illustrating data points, forms no part of the claimed design.
