See application file for complete search history.

(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outer perimeter shown in dashed broken lines in the FIGURE illustrates a display screen or portion thereof and forms no part of the claimed design. The remaining dashed broken lines in the FIGURE illustrate portions of the graphical user interface that form no part of the claimed design.
