(57) **CLAIM**

The ornamental design for a cooling gel pack for insertion into headgear, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an embodiment of a cooling gel pack for insertion into headgear;
FIG. 2 is a top view of the cooling gel pack for insertion into headgear;
FIG. 3 is a bottom view of the cooling gel pack for insertion into headgear;
FIG. 4 is a rear view of the cooling gel pack for insertion into headgear;
FIG. 5 is a front view of the cooling gel pack for insertion into headgear;
FIG. 6 is a left side view of the cooling gel pack for insertion into headgear;
FIG. 7 is a right side view of the cooling gel pack for insertion into headgear; and,
FIG. 8 is a perspective view of the cooling gel pack for insertion into headgear shown inserted into a hat.
The broken line showing of a hat is for the purpose of illustrating environmental structure and form no part of the claimed design.
