Dec. 13, 2013 (EM) 01396352-0018

FIG. 1 is a first view of a display screen with graphical user
interface for workflow; and,

FIG. 2 is a second view of a display screen with graphical
user interface for workflow.

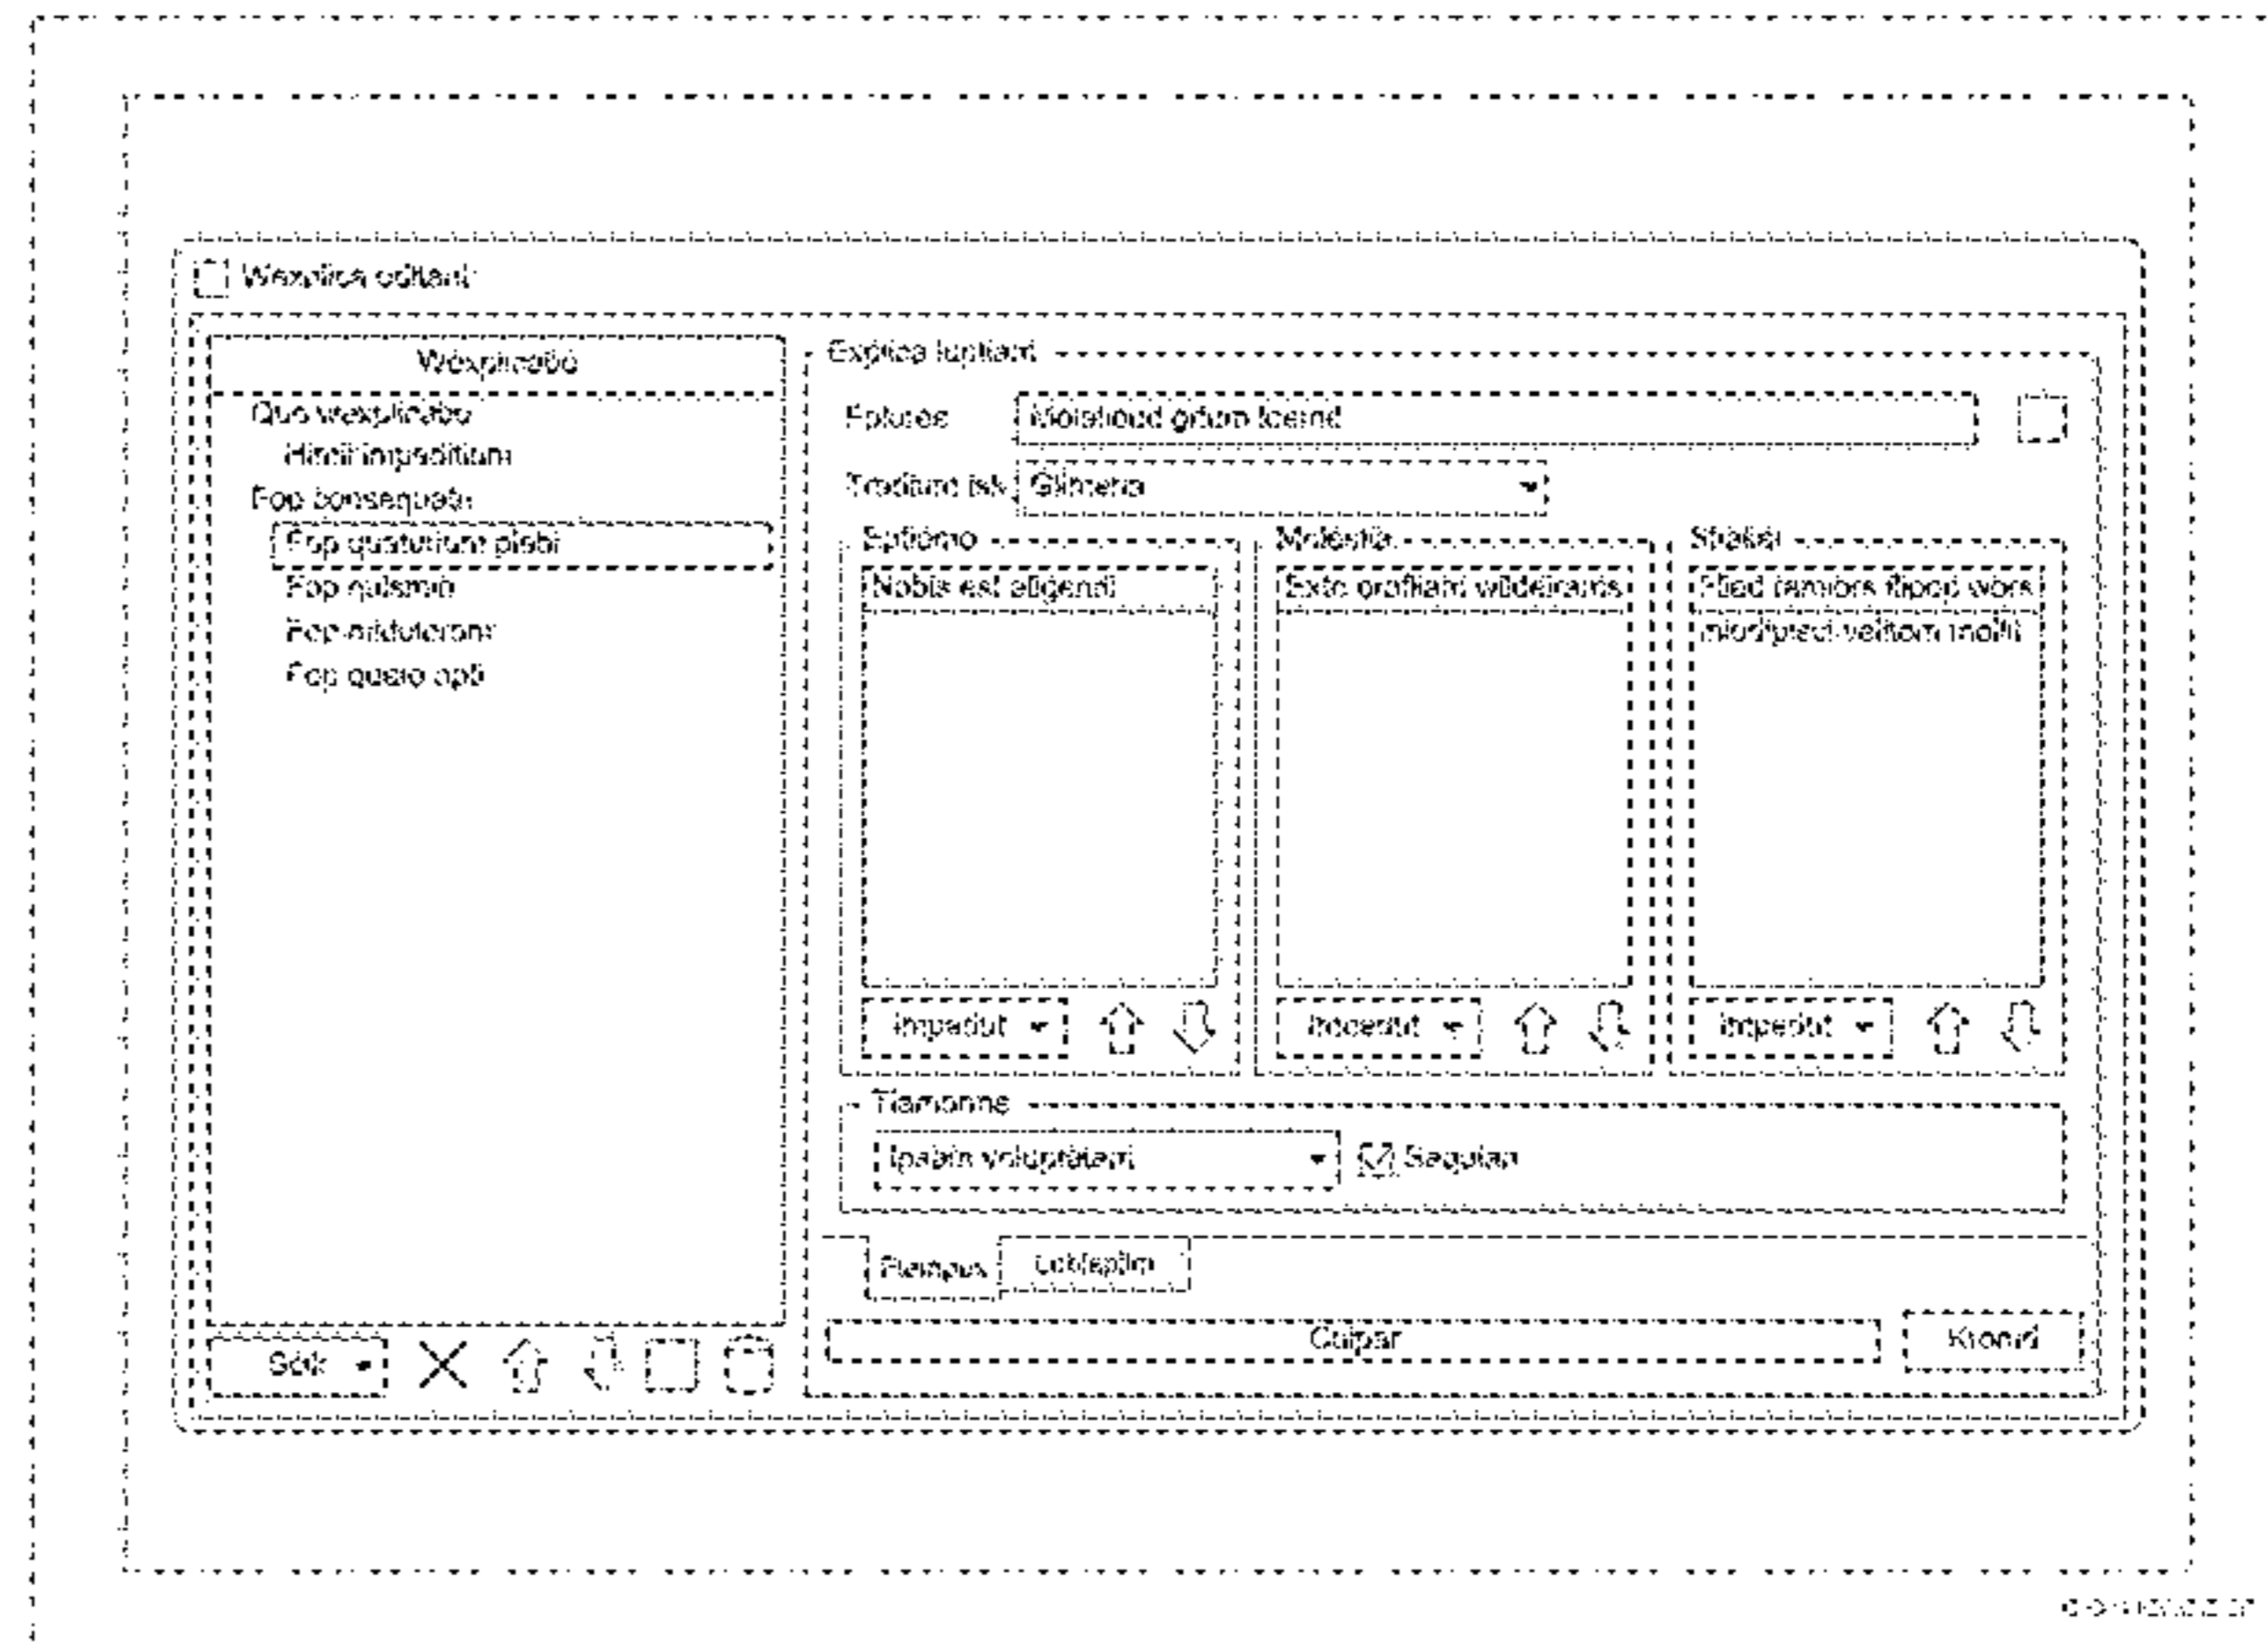

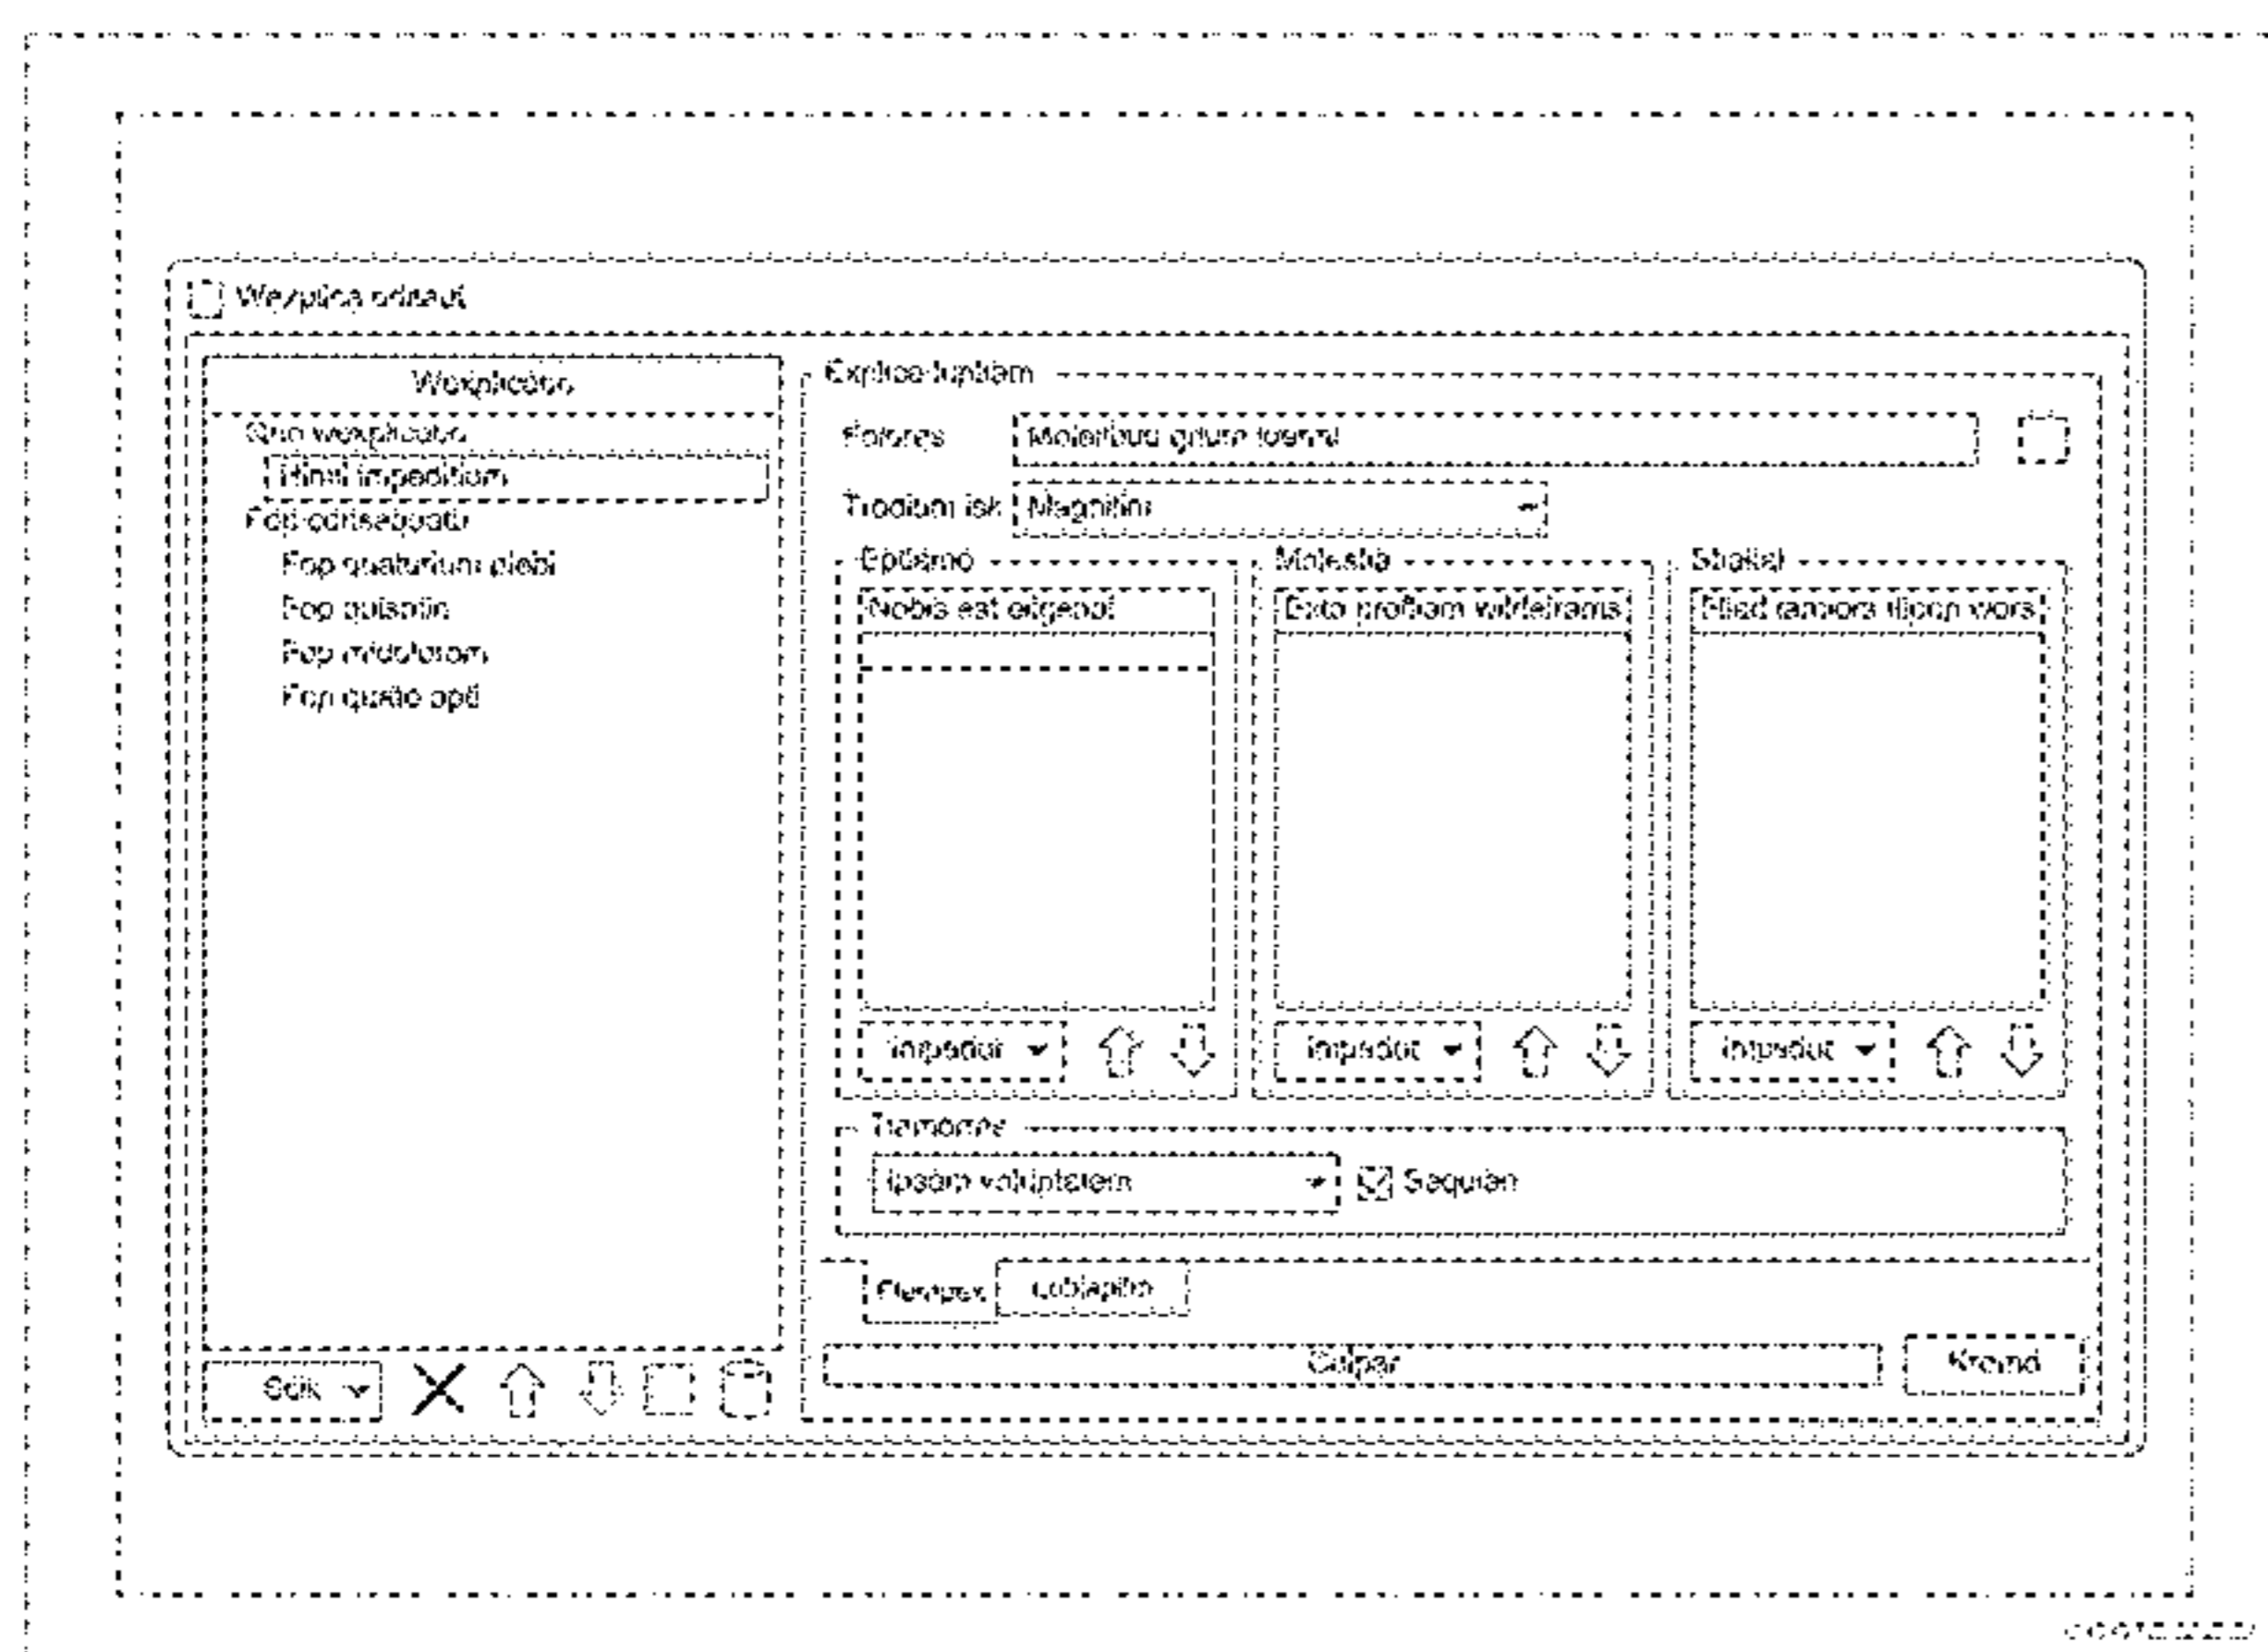

The appearance of the transitional image sequentially transi-
tions between the images shown in FIGS. 1-2. The process
or period in which one image transitions to another image
forms no part of the claimed design.

The broken lines showing the display screen are for envi-
ronmental purposes only and form no part of the claimed
design.
