(57) **CLAIM**

The ornamental design for an annular lid for a trap, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of an annular lid for a trap, showing our new design, in an environment of use with an exemplary container and entry structure for a trap; FIG. 2 is a front upper perspective view thereof with the exemplary environmental subject matter removed to show aspects of the design not visible when combined; FIG. 3 is a front lower perspective view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a bottom plan view thereof; FIG. 6 is a front elevation view thereof; and, FIG. 7 is a cross-sectional view of the annular lid for a trap thereof, taken in the direction of line 7-7 on FIG. 4. The broken lines are shown for the purpose of illustrating environmental subject matter of an exemplary container and entry structure and form no part in the claimed design.
