(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outer perimeter broken lines show a display screen or portion thereof and form no part of the claimed design. The remaining broken line showing of text and portions of the graphical user interface form no part of the claimed design.
