(57) **CLAIM**

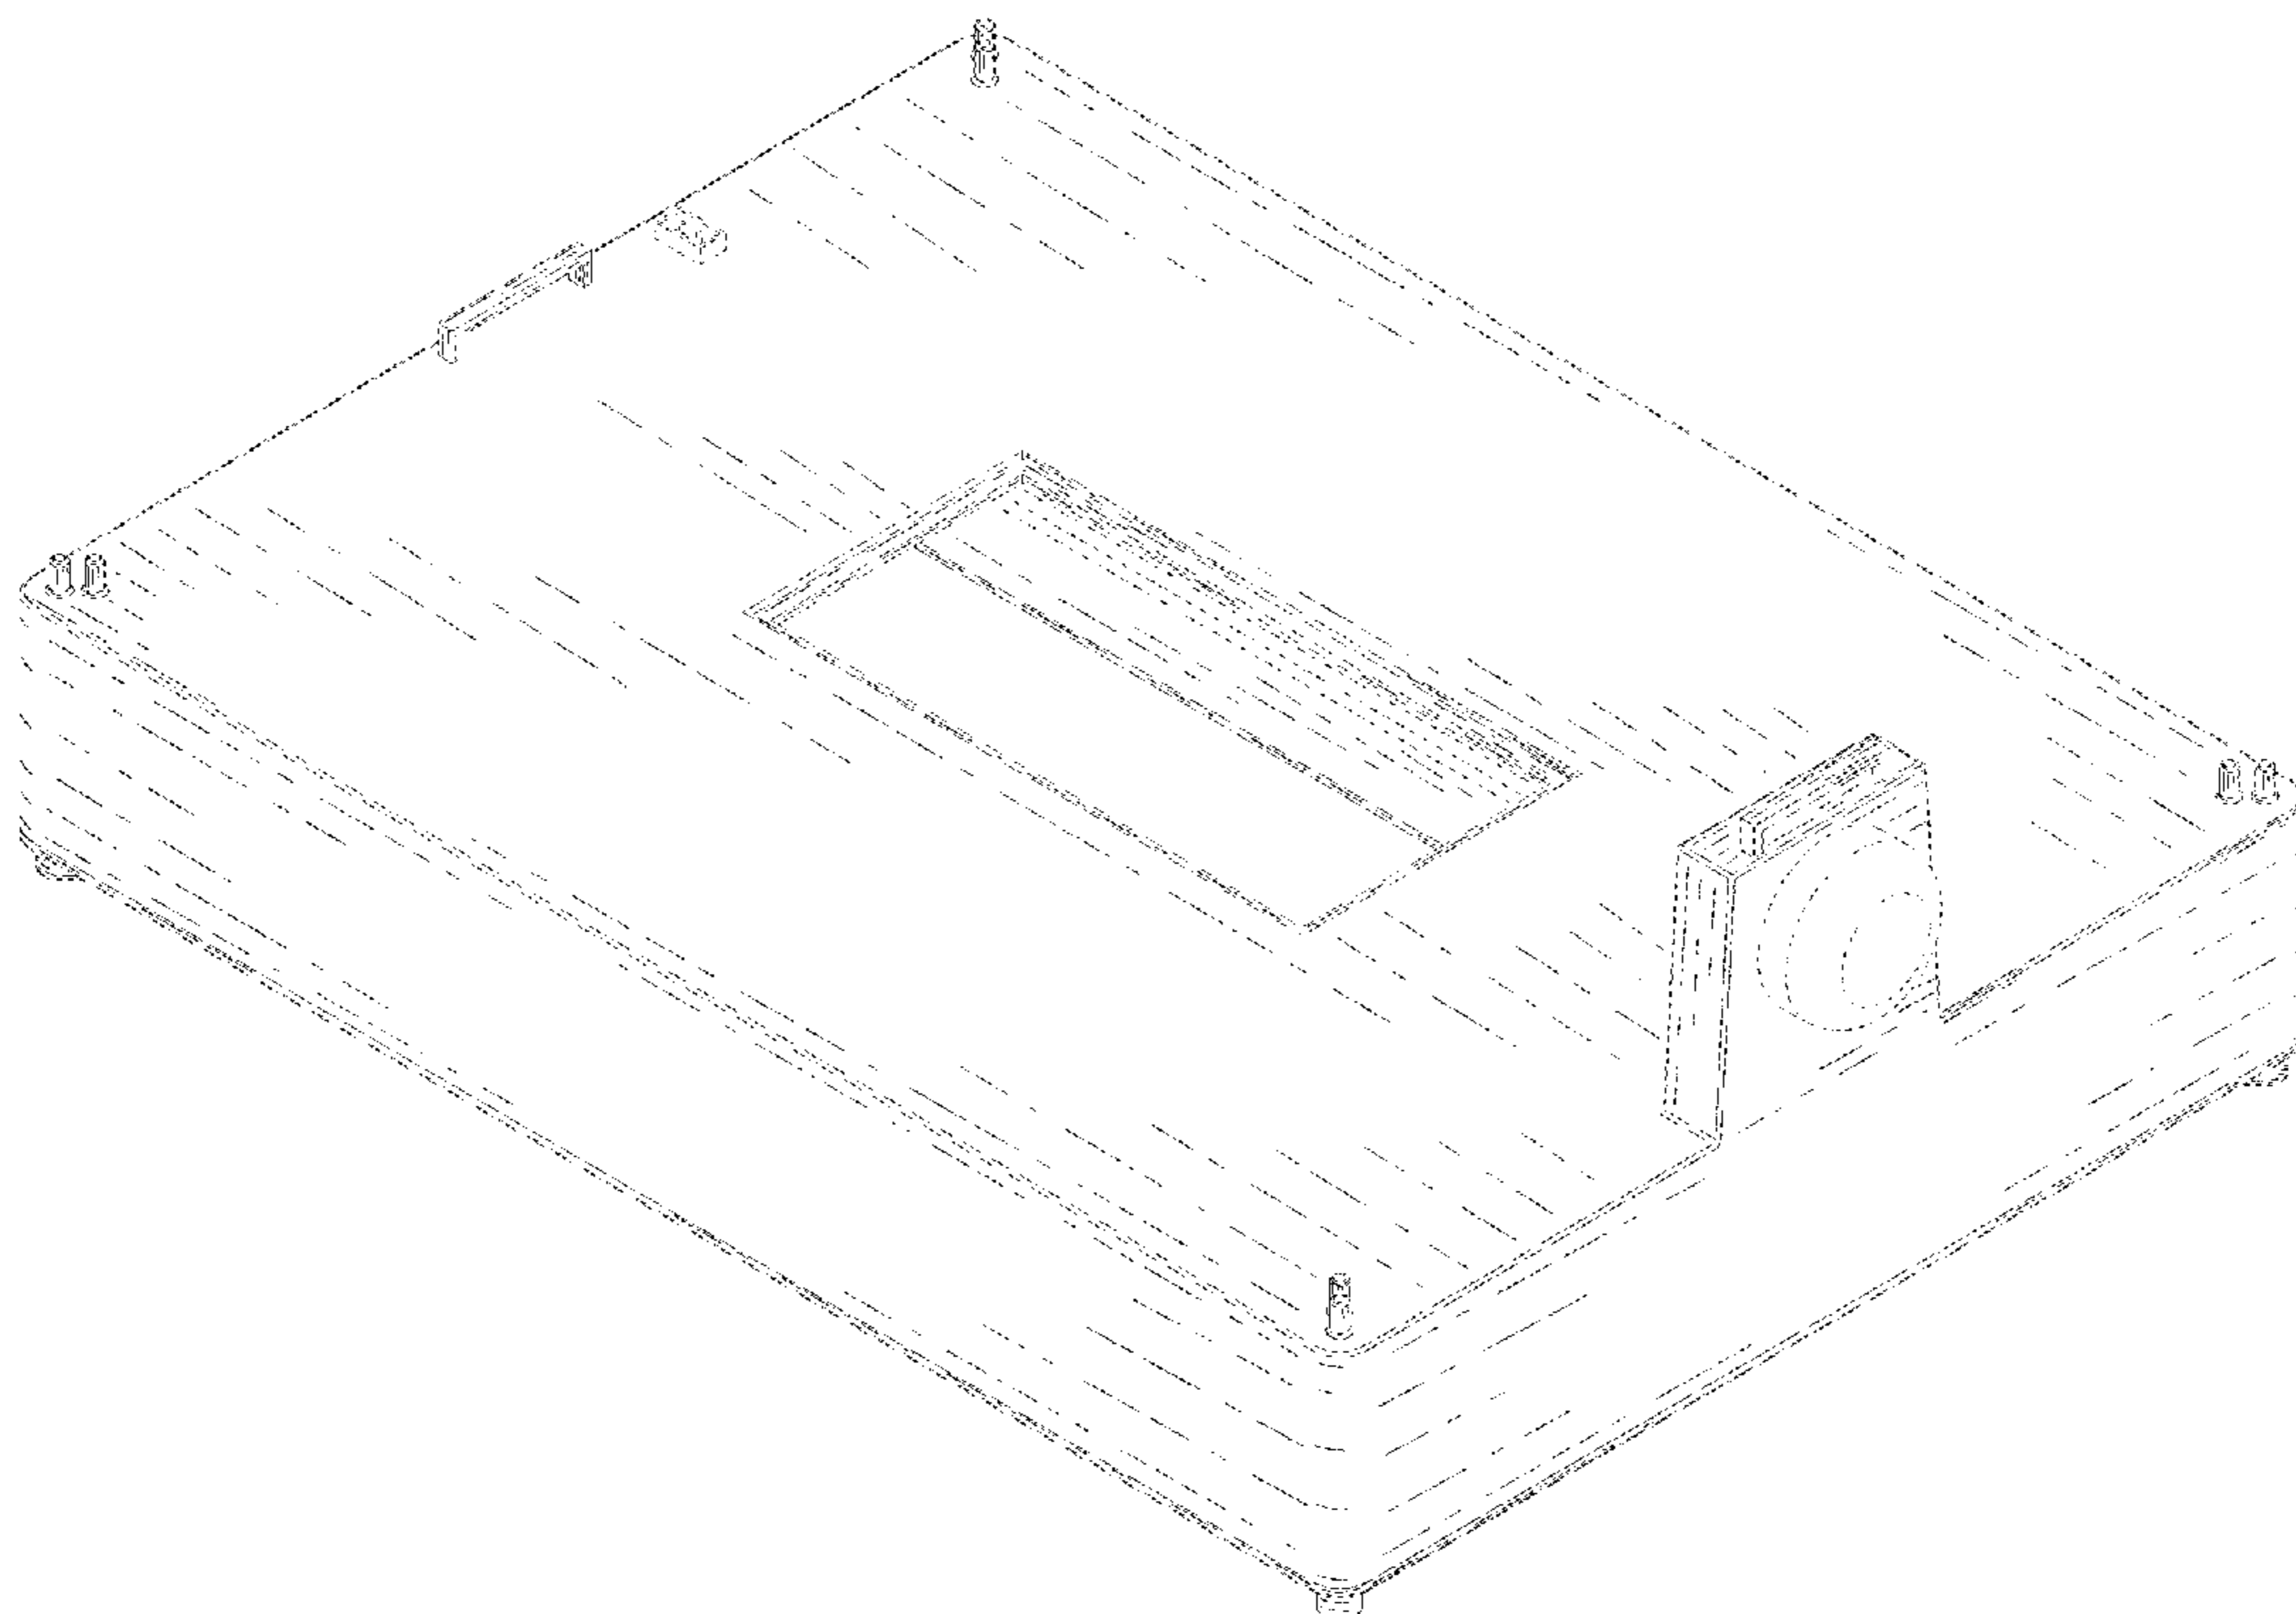

The ornamental design for an intermittent ammonia absorption refrigerator case, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an intermittent ammonia absorption refrigerator case showing my new design; FIG. 2 is a bottom perspective view thereof; FIG. 3 is a rear perspective view thereof; FIG. 4 is a front elevational view thereof, the rear elevational view being mirrored thereto; FIG. 5 is a left elevational view thereof; FIG. 6 is a right elevational view thereof; FIG. 7 is a top plan view thereof; FIG. 8 is a bottom plan view thereof; and, FIG. 9 is a cross section view taken along lines 9-9 in FIG. 7.

The evenly spaced broken lines shown in the drawings represent unclaimed portions often design and form no part of the claimed design.
