(57) **CLAIM**

The ornamental design for a therapeutic animal mastication device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a therapeutic animal mastication device according to the present invention. FIG. 2 is a front elevation view thereof, to which a rear elevation view is identical. FIG. 3 is a left side elevation view thereof, to which a right side elevation view is identical. FIG. 4 is a top plan view thereof; and, FIG. 5 is a bottom plan view thereof. The broken lines represent unclaimed portions of the therapeutic animal mastication device.
