(Continued)

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

11.0 shows a first embodiment of a display screen with graphical user interface;

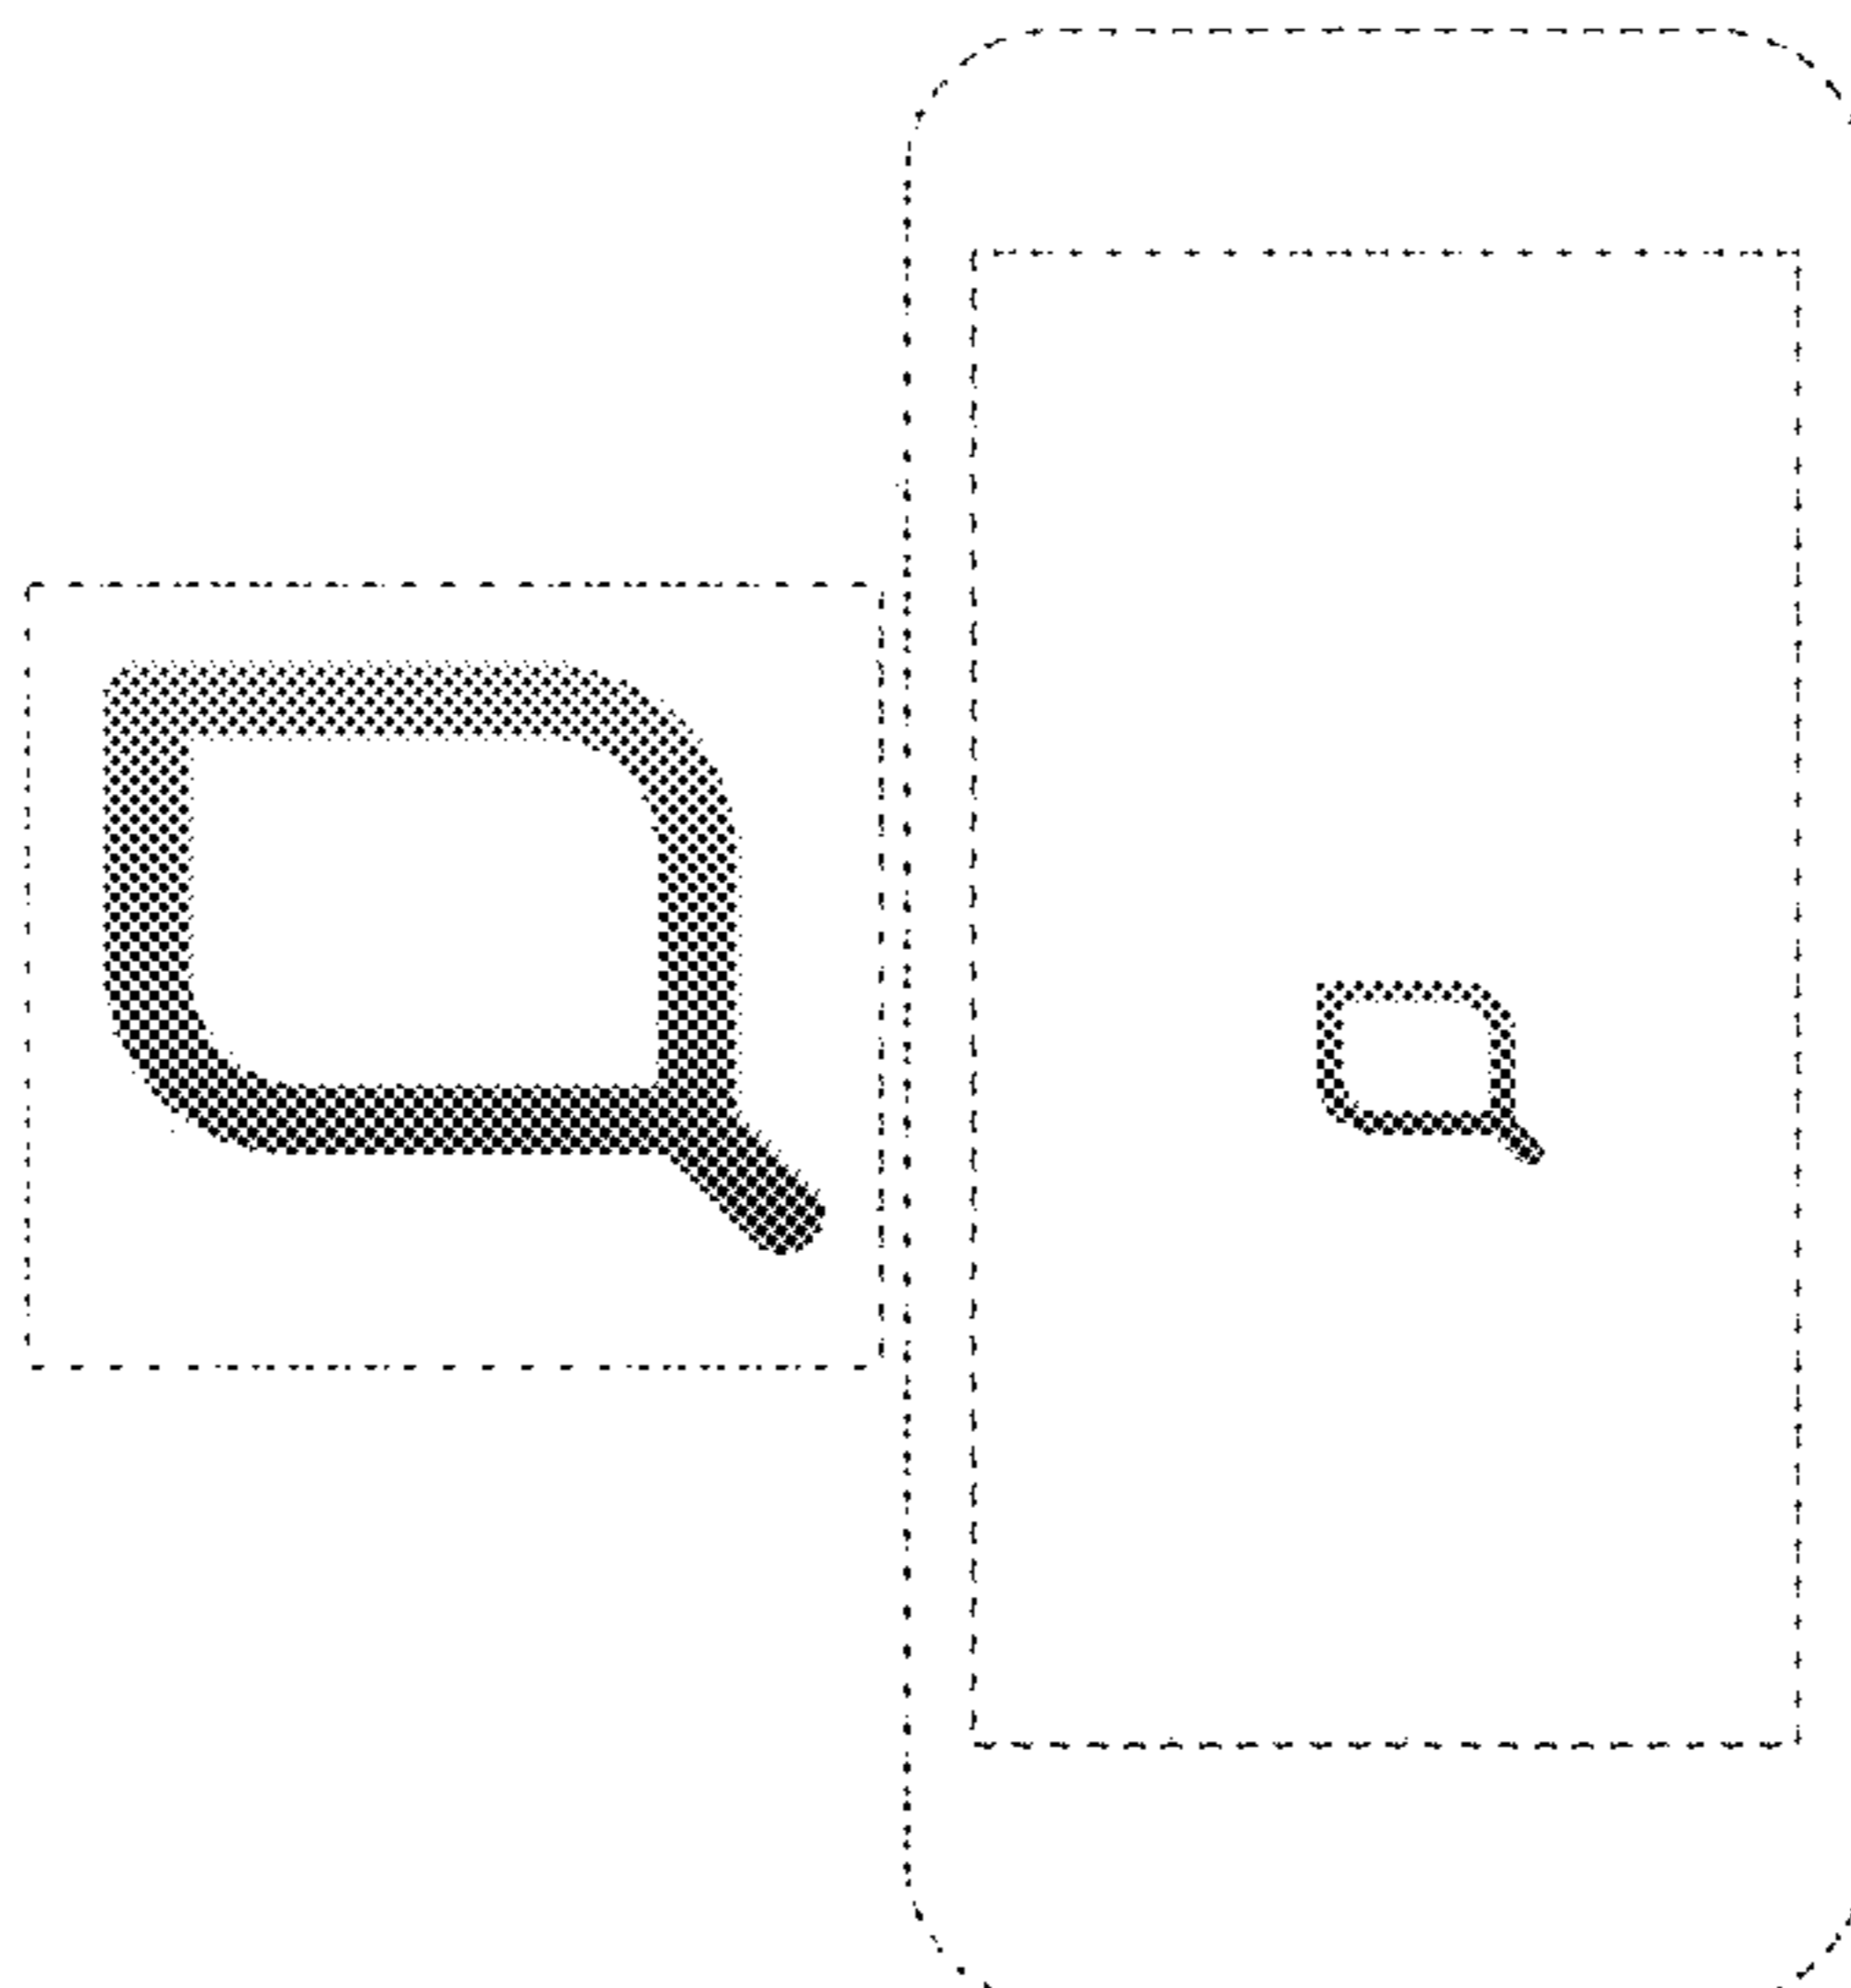

12.0 shows a second embodiment of the display screen with graphical user interface;

13.0 shows a third embodiment of the display screen with graphical user interface; and

14.0 shows a fourth embodiment of the display screen with graphical user interface.

The broken lines in the drawings show a display screen forming no part of the claimed design.
