DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with a graphical user interface according to one embodiment; and,

FIG. 2 is a front view of a display screen or portion thereof with a graphical user interface according to another embodiment.

The outermost broken lines in the figures illustrate a display screen or portion thereof and form no part of the claimed design. The other broken lines in the figures illustrate portions of the graphical user interface that form no part of the claimed design.
