(57) **CLAIM**

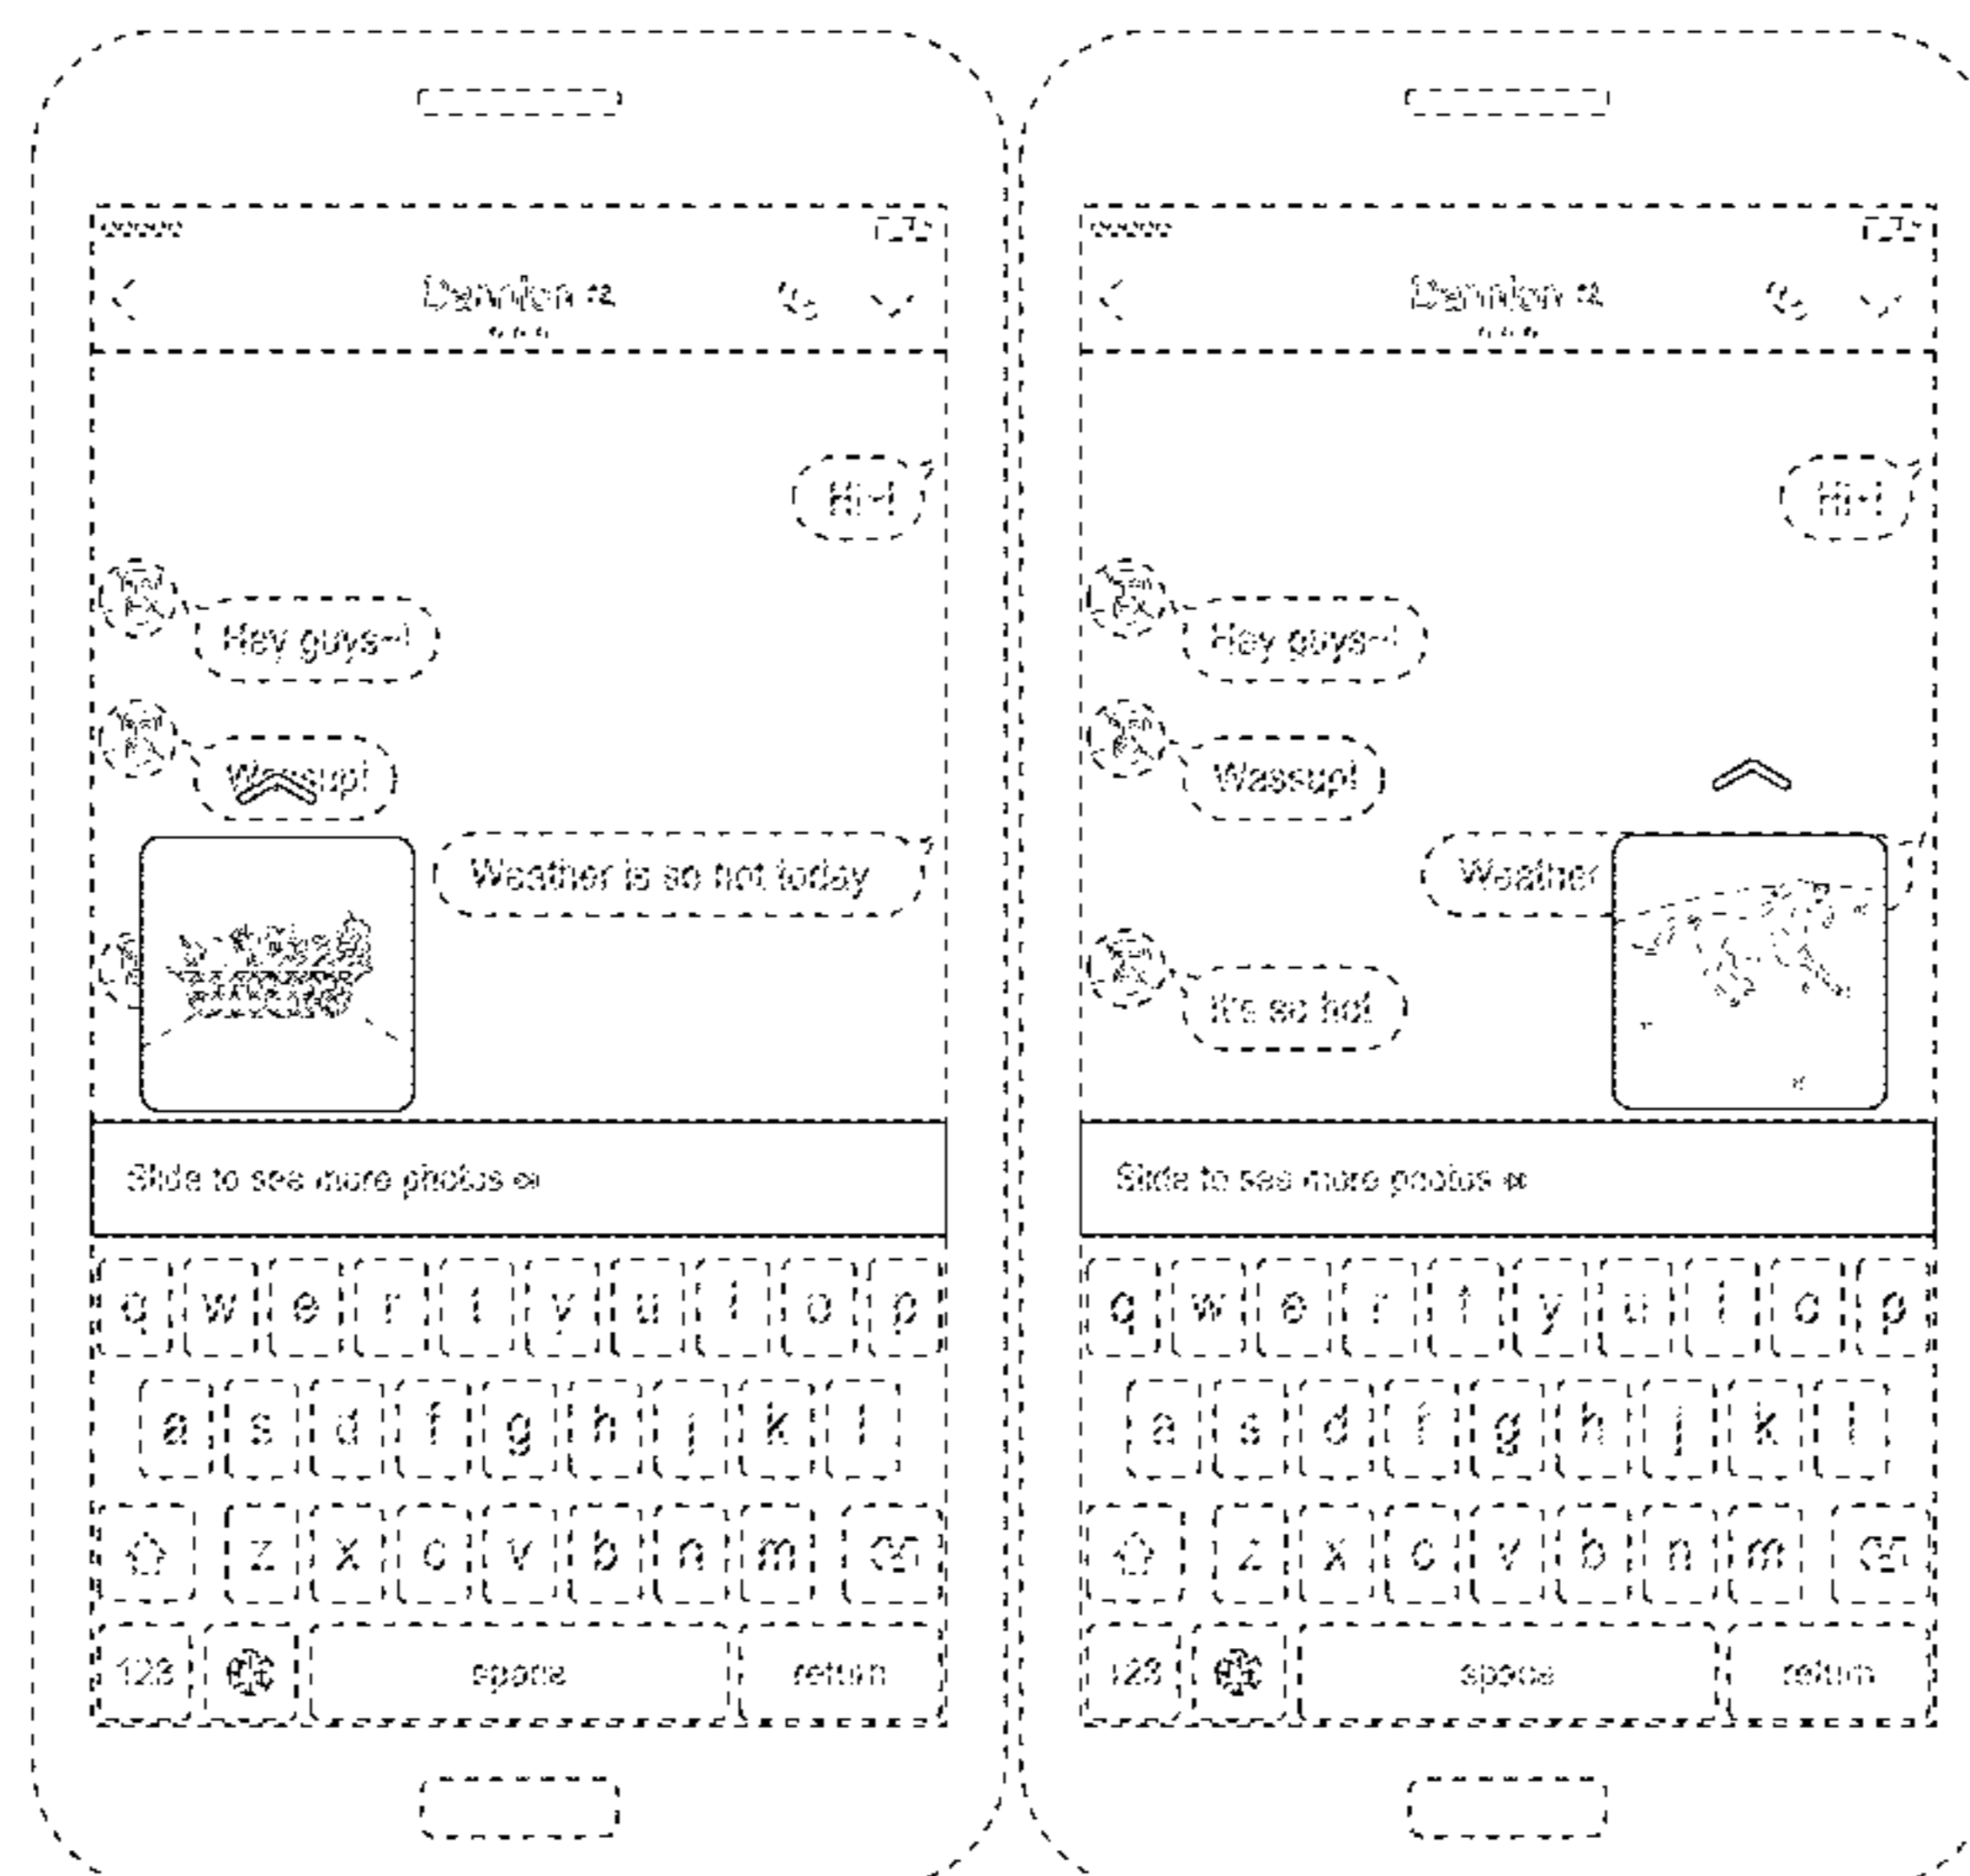

The ornamental design for a portable device display screen with animated graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a first image in a sequence for a portable device display screen with animated graphical user interface showing a new design; FIG. 2 is a second image thereof; FIG. 3 is a third image thereof; and, FIG. 4 is a fourth image thereof.

The process or period in which one image transitions to another image forms no part of the claimed design. The broken line showing of a portable device display screen with an animated graphical user interface is included for the purpose of showing portions of the article, which form no part of the claim.
