(57) **CLAIM**

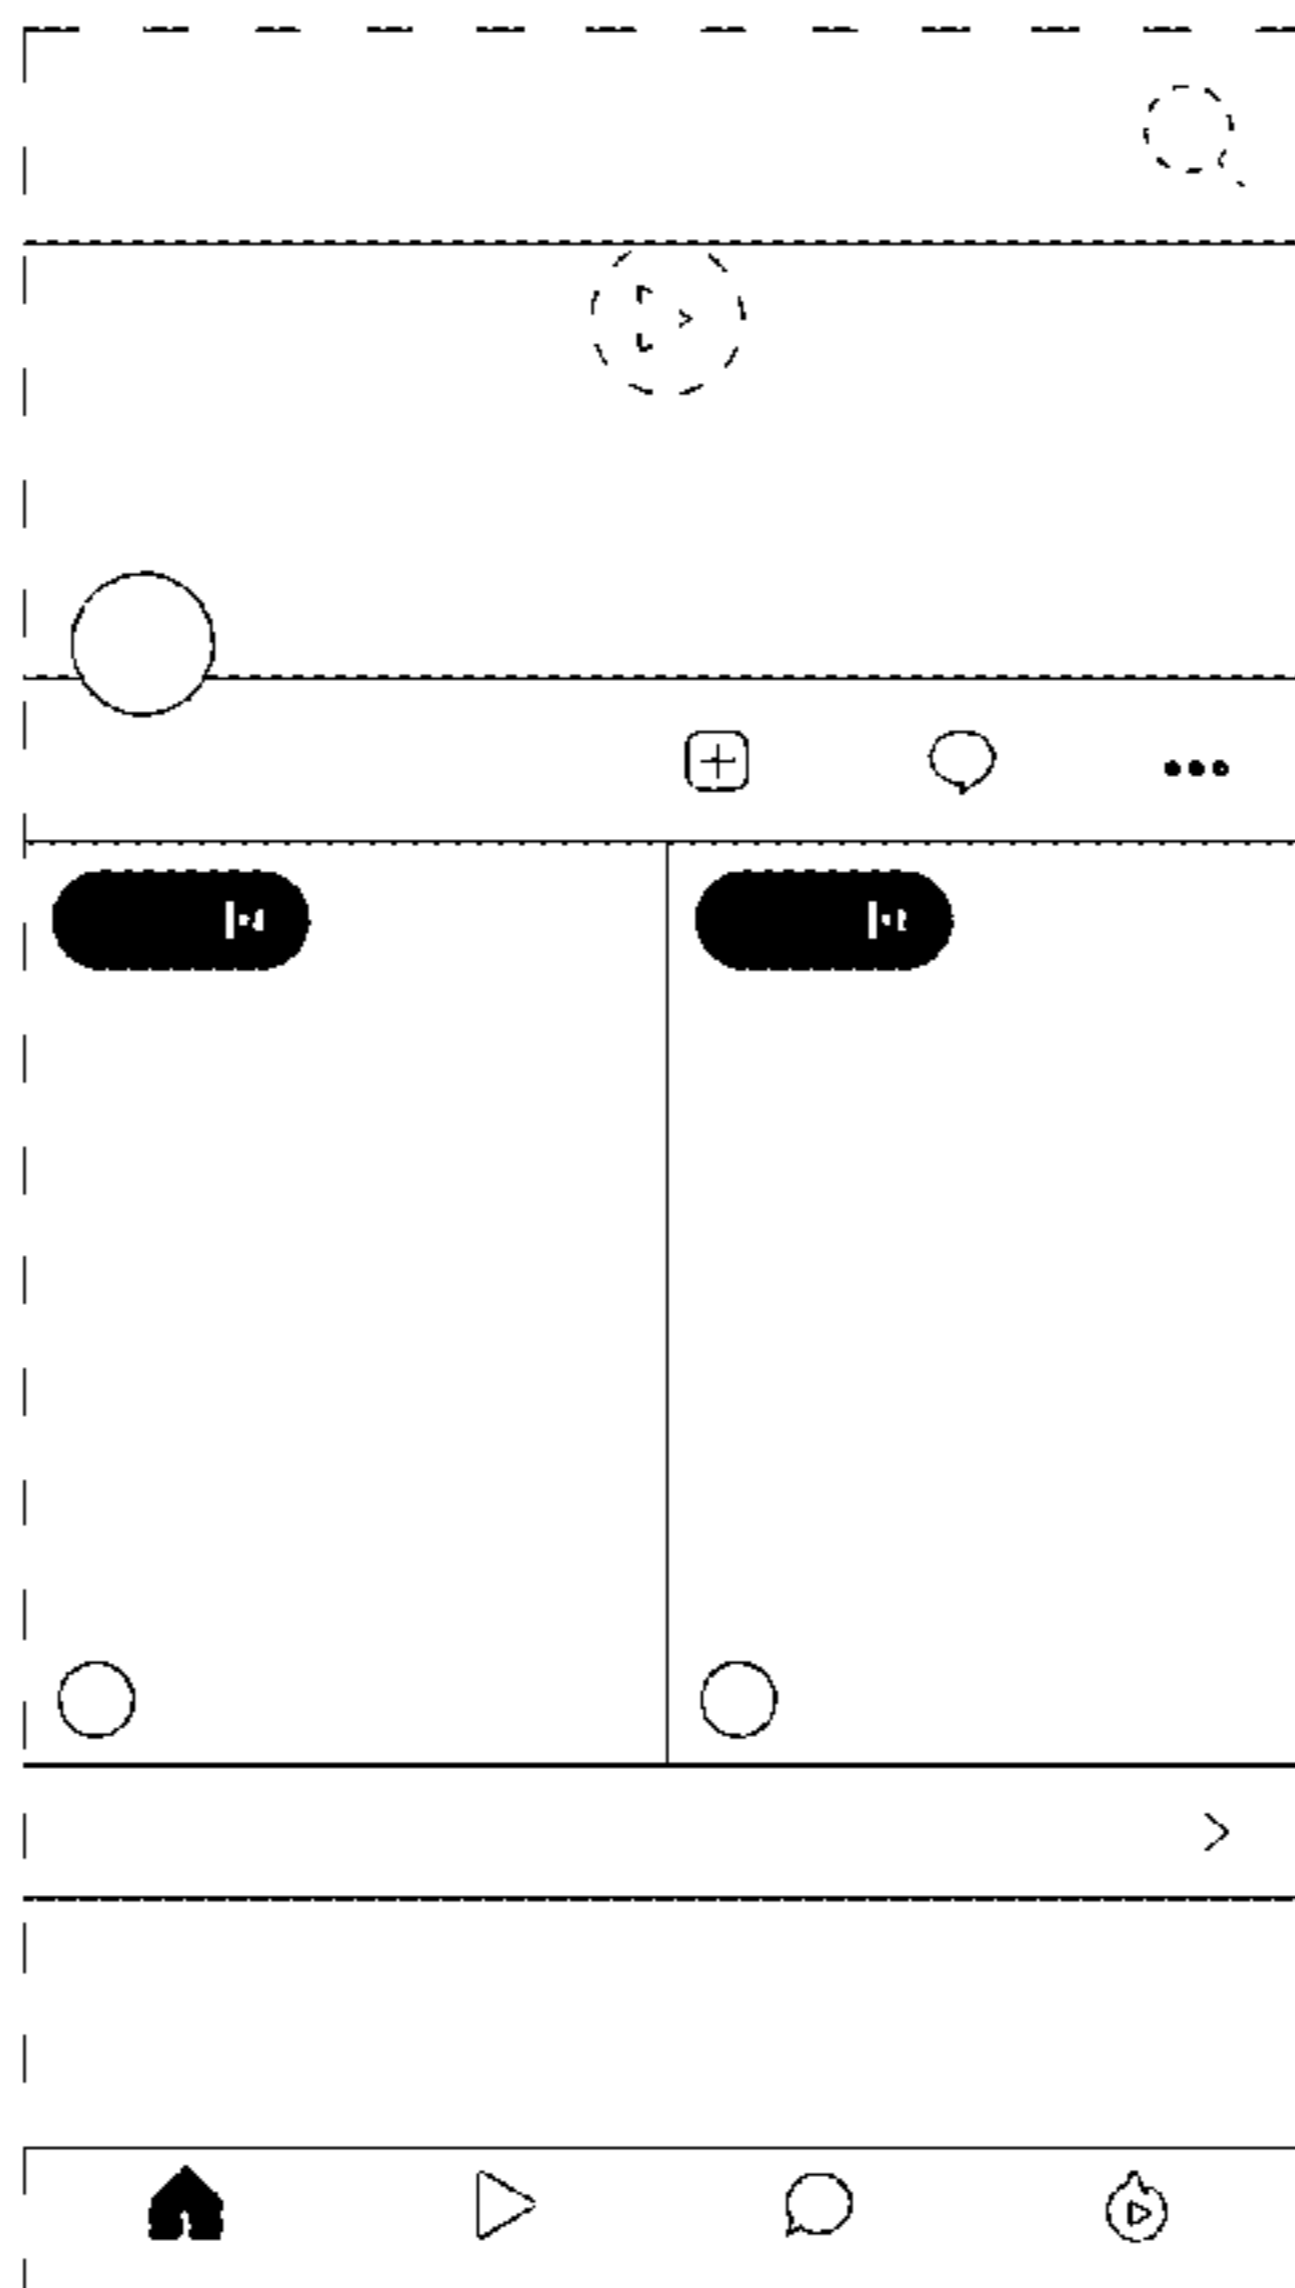

We claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing our new design.

The outermost broken lines in the FIGURE represent the display screen or portion thereof that forms no part of the claimed design. The remaining broken lines show portions of the graphical user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
