(57) CLAIM

I claim the ornamental design for an exhaust muffler for automobile, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an exhaust muffler for automobile of the present invention;

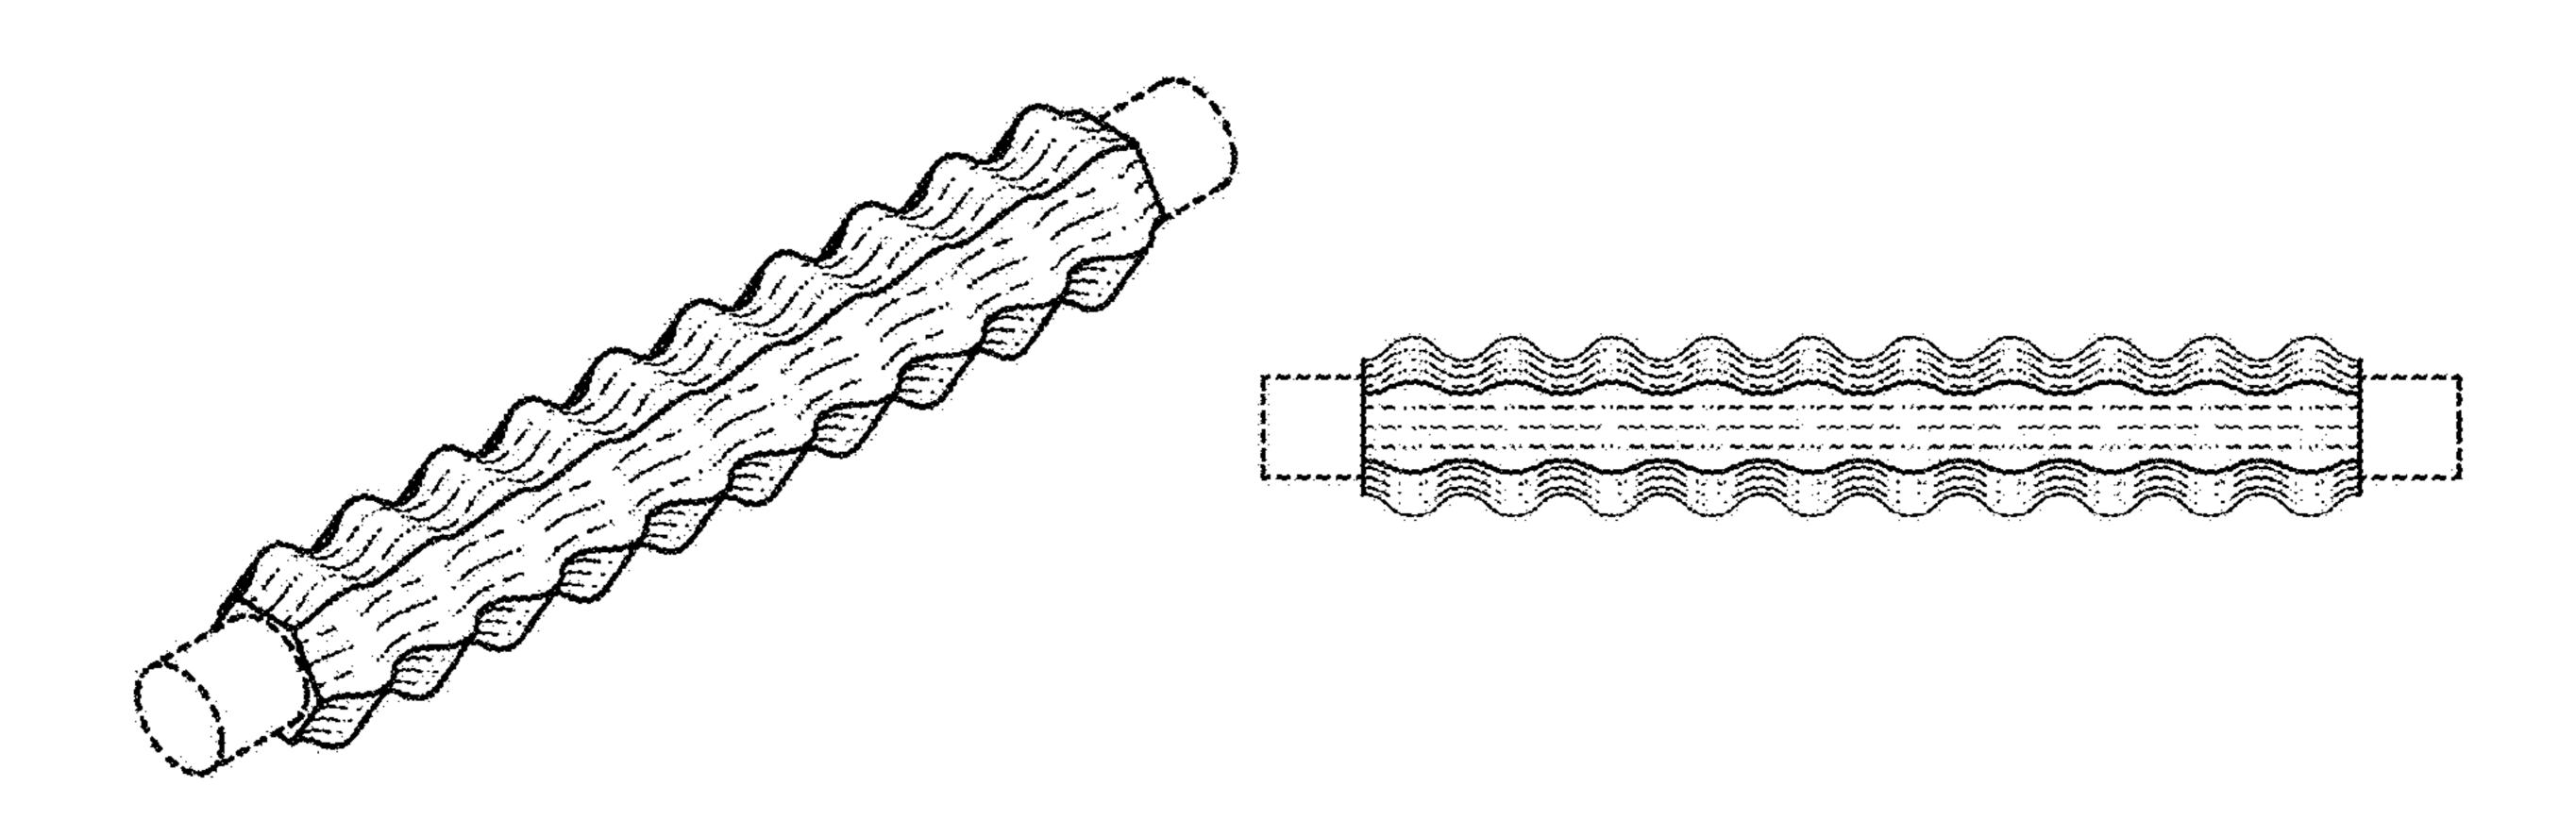

FIG. 2 is a front elevational view thereof (rear elevational view is identical);

FIG. 3 is a right side elevational view thereof (left side elevational view is identical); and,

FIG. 4 is a top plan view thereof (bottom plan view is identical).

In the drawings, the broken straight lines and broken lines depicting cylindrical structures in FIGS. 1, 3, and 4, as well as the broken lines showing a round structure in FIG. 2 show portions of environmental structure that form no part of the claimed design.
