(57) **CLAIM**

The ornamental design for an aircraft galley bay air vent, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a first aircraft galley bay air vent mounted to an upper surface of an aircraft galley bay.

FIG. 2 is another front perspective view of an aircraft galley bay air vent mounted to an upper surface of an aircraft galley bay; and,

FIG. 3 is front perspective view of the aircraft galley bay air vent of FIG. 1 illustrating an oven inserted in the aircraft galley bay.

The broken lines in the drawings illustrate environmental subject matter and form no part of the claimed design.
