(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

The outermost broken line illustrates a portion of a display screen while all other broken lines illustrate elements of a graphical user interface or representative imagery; all broken lines form no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
