(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface; and, FIG. 2 is a front view of the design of FIG. 1 shown in the context of different broken lines. Portions of the display screen shown in broken line, and all other broken lines showing portions of the graphical user interface, are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 2 Drawing Sheets
