(57) **CLAIM**

The ornamental design for a shoe, as shown and described.

DESCRIPTION

FIG. 1 is a side view of a shoe showing my new design; FIG. 2 is a rear perspective view thereof; and, FIG. 3 is an enlarged partial bottom view thereof. Only the surfaces having oblique line shading are claimed. The oblique line shading in FIGS. 1-3 indicates a transparent, translucent, highly polished or reflective surface only and does not represent any particular color, material, texture or finish. The curvature of the oblique line shading in FIG. 2 indicates the contour of the shaded area. The broken lines immediately adjacent to the shaded area define the bounds of the claimed design and form no part thereof. The broken lines depicting the remainder of the shoe show features that form no part of the claimed design.

1 Claim, 3 Drawing Sheets
