**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The outermost broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The other broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design.

**1 Claim, 1 Drawing Sheet**

A decorative header section featuring a bar chart with 15 vertical bars of varying heights, each topped with a small star. Below the chart is a dark, textured horizontal bar containing a search icon and the text "Search" followed by a magnifying glass icon.

The main body of the page contains several lines of text, which appear to be bleed-through from the reverse side of the document. The text is mostly illegible due to its orientation and the quality of the scan.
