(57) **CLAIM**

The ornamental design for a microscope slide assembly, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a microscope slide assembly of the present design;
FIG. 2 is a front elevation view of a microscope assembly of the present design;
FIG. 3 is a back elevation view of a microscope slide assembly of the present design;
FIG. 4 is a left side elevation view of a microscope slide assembly of the present design;
FIG. 5 is a right side elevation view of a microscope slide assembly of the present design;
FIG. 6 is a top plan view of a microscope slide assembly of the present design; and,
FIG. 7 is a bottom plan view of a microscope slide assembly of the present design.
