(57) **CLAIM**

The ornamental design for a daytime running light arrangement, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a daytime running light arrangement according to the present invention, with the daytime running light arrangement located on both the front right side and the front left side of the vehicle, as mirror images; and, FIG. 2 is an enlarged view thereof.

In the Figures the inventive daytime running light arrangement is shown within the broken lines, and the elements shown outside the broken lines form no part of the claimed design, but are instead included to show environmental aspects thereof.
