(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface, showing the claimed design; FIG. 2 is another embodiment thereof; and, FIG. 3 is a front view of an electronic device having a display screen with the graphical user interface of FIG. 1 applied to the display screen. The graphical user interface of FIG. 2 may be similarly applied thereto.

The outer dashed broken lines in the figures show a display screen or portion thereof, or an electronic device having a display screen, and form no part of the claimed design. The other dashed broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.
