(Continued)

FIG. 1 is a perspective view of the electrosurgical generator with cart;

FIG. 2 is a front view of the electrosurgical generator with cart;

FIG. 3 is a back view of the electrosurgical generator with cart;

FIG. 4 is a right side view of the electrosurgical generator with cart;

FIG. 5 is a left side view of the electrosurgical generator with cart;

FIG. 6 is a top view of the electrosurgical generator with cart; and,

FIG. 7 is a bottom view of the electrosurgical generator with cart.

The wire frame lines shown throughout the views are intended to indicate surface contour.

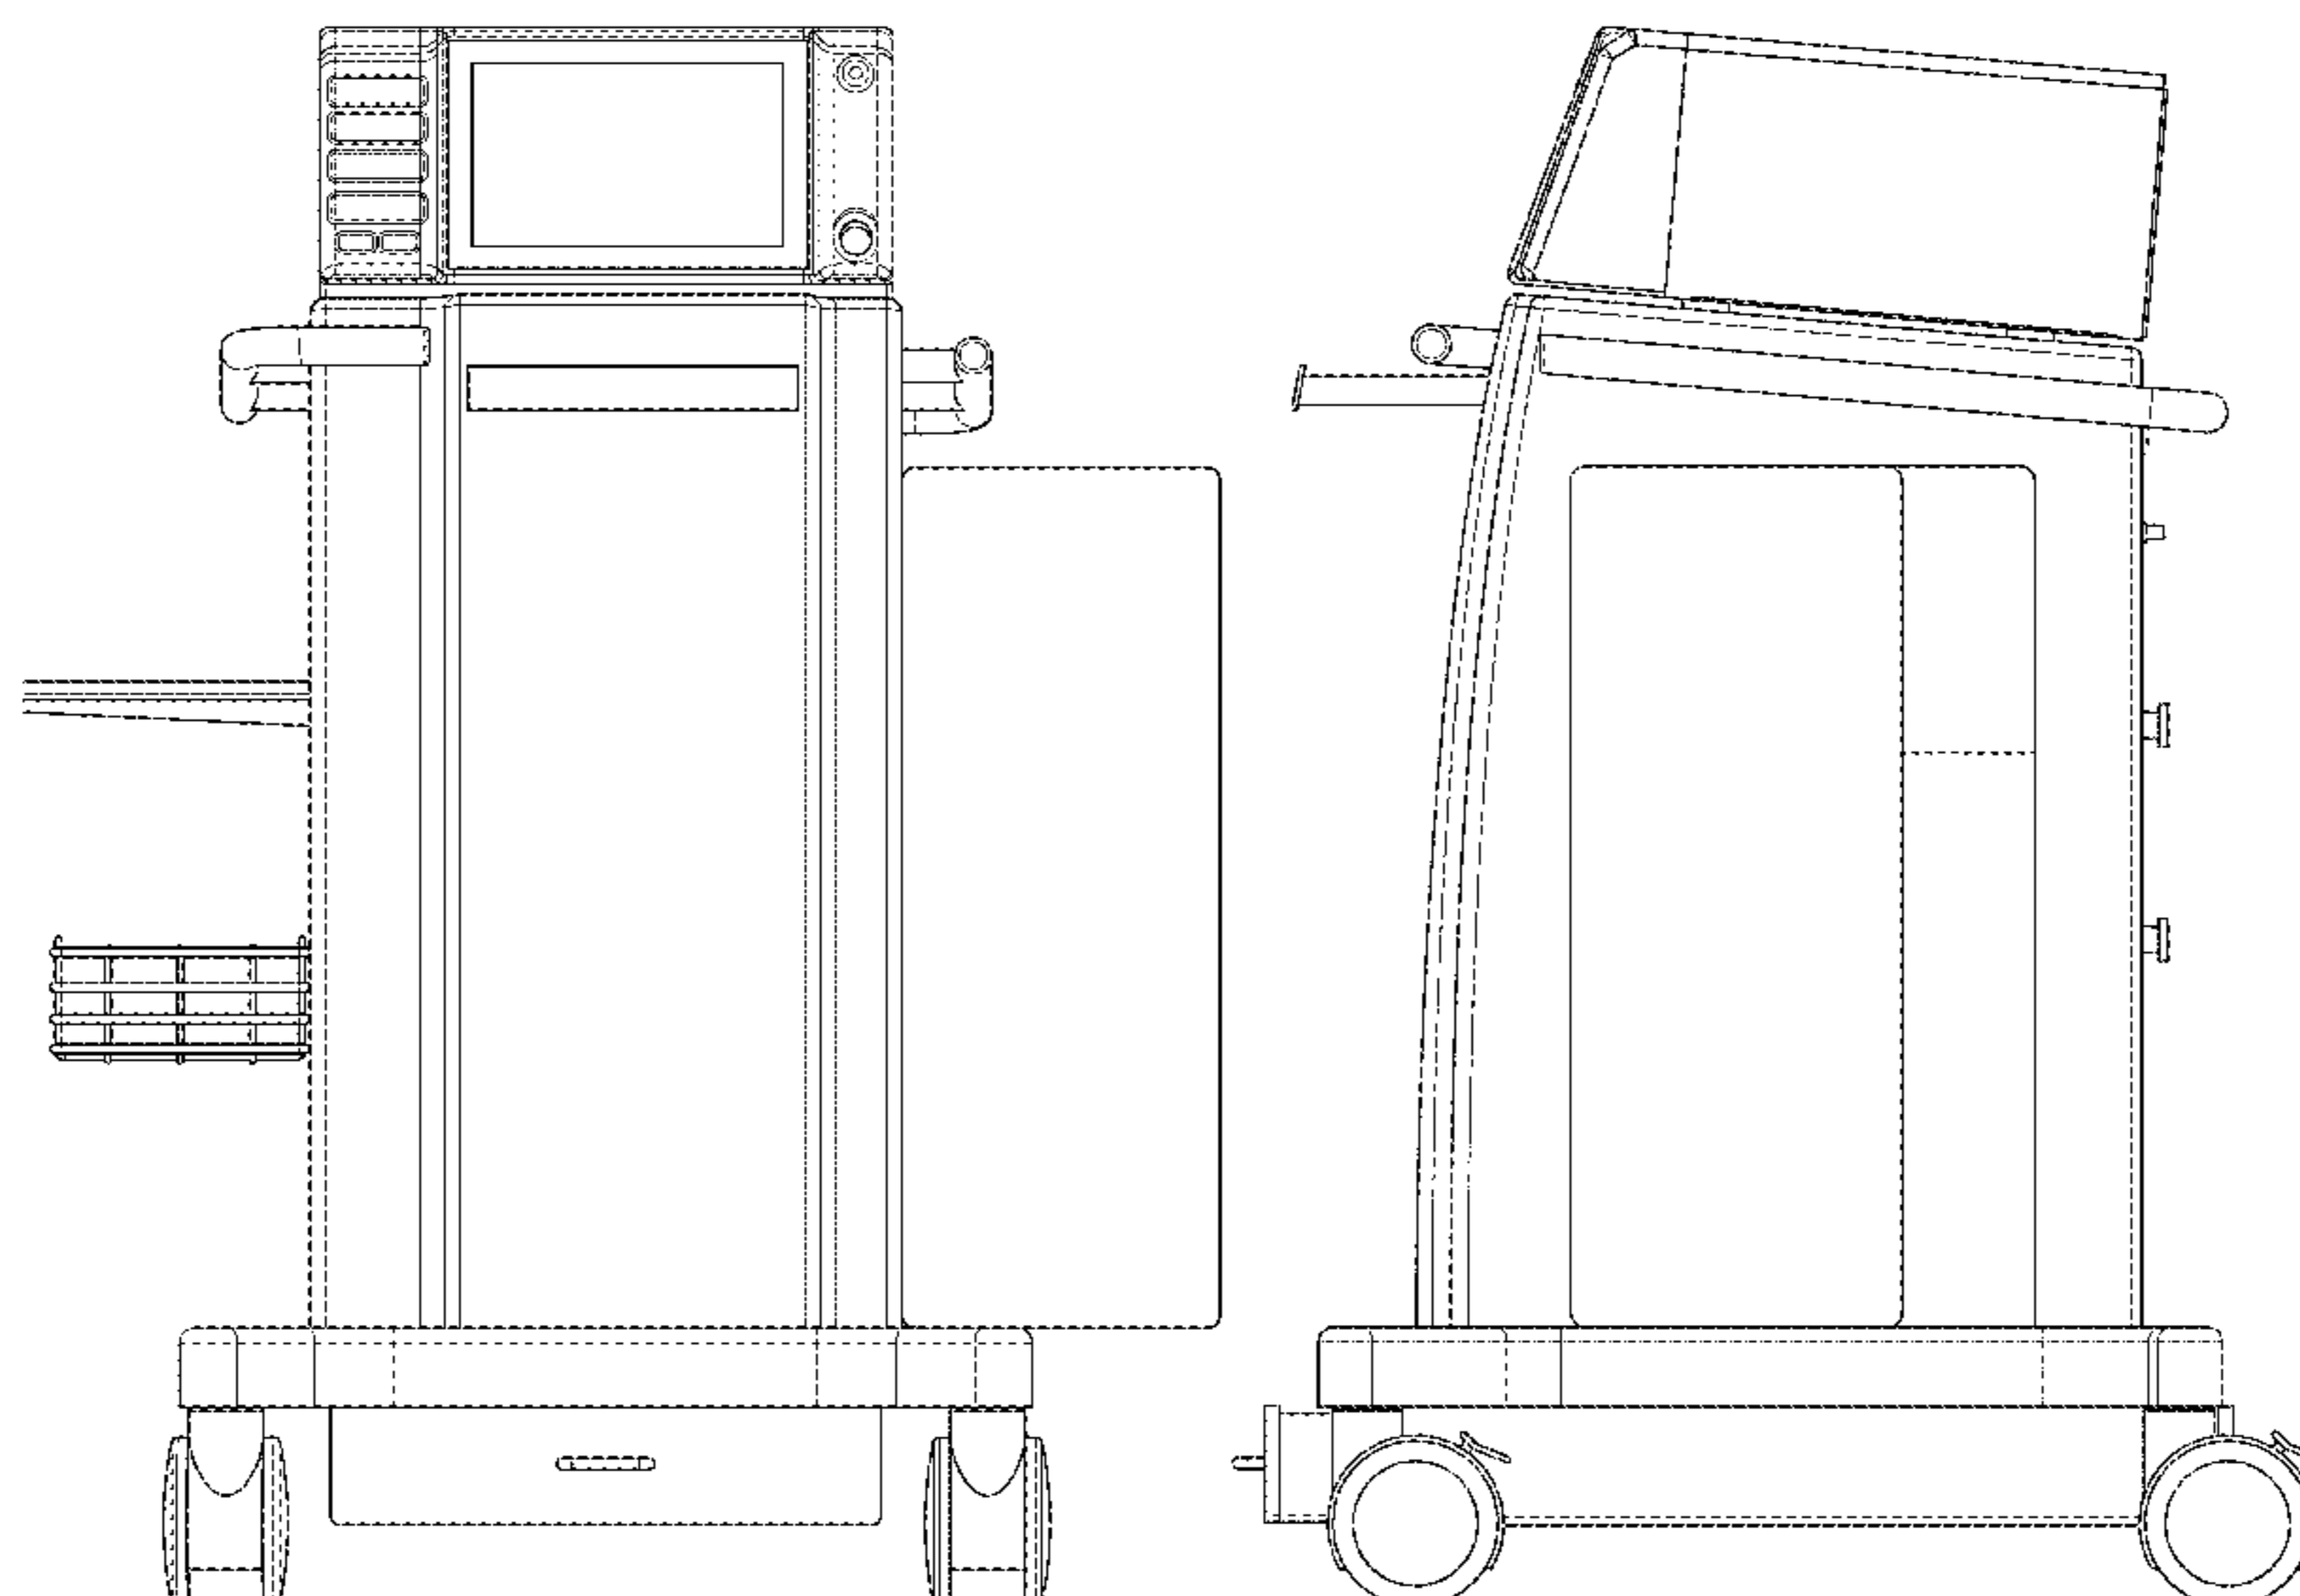

The broken lines depict portions of the electrosurgical generator with cart that form no part of the claimed design.
