(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design; and, FIG. 2 is an enlarged view of the claimed portion shown in FIG. 1, shown separately for completeness of illustration. The broken lines in the figures show portions of the graphical user interface which form no part of the claimed design. The outermost broken line showing of the display screen or portion thereof is for environmental purposes only and forms no part of the claimed design.
