(57) **CLAIM**

The ornamental design for a negative pressure unit, as shown and described.

DESCRIPTION

This invention was made with government support under Contract FA8650-13-12-6372 awarded by the Department of the Air Force. The government has certain rights in the invention.

FIG. 1 is an top front perspective view of a negative pressure unit showing our new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a rear elevational view thereof;
FIG. 4 is a right side elevational view thereof;
FIG. 5 is a left side elevational view thereof;
FIG. 6 is a top plan view thereof;
FIG. 7 is a bottom plan view thereof; and,
FIG. 8 is an top rear perspective view thereof.

The broken lines in the drawings illustrate portions of the negative pressure unit that form no part of the claimed design.
