See application file for complete search history.

DESCRIPTION

FIG. 1 is a perspective view of a coated abrasive disc showing the new design for a coated abrasive disc. As shown, the coated abrasive disc is oriented with the top surface shown uppermost on the disc; FIG. 2 is an enlarged view of region 2 in FIG. 1; FIG. 3 is a top view of the coated abrasive disc; FIG. 4 is a left side view of the coated abrasive disc; FIG. 5 is a right side view of the coated abrasive disc; and FIG. 6 is a front side view of the coated abrasive disc; and, FIG. 7 is a back side view of the coated abrasive disc. The broken lines in the drawings depict portions of the coated abrasive disc which form no part of the claimed design.
