(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

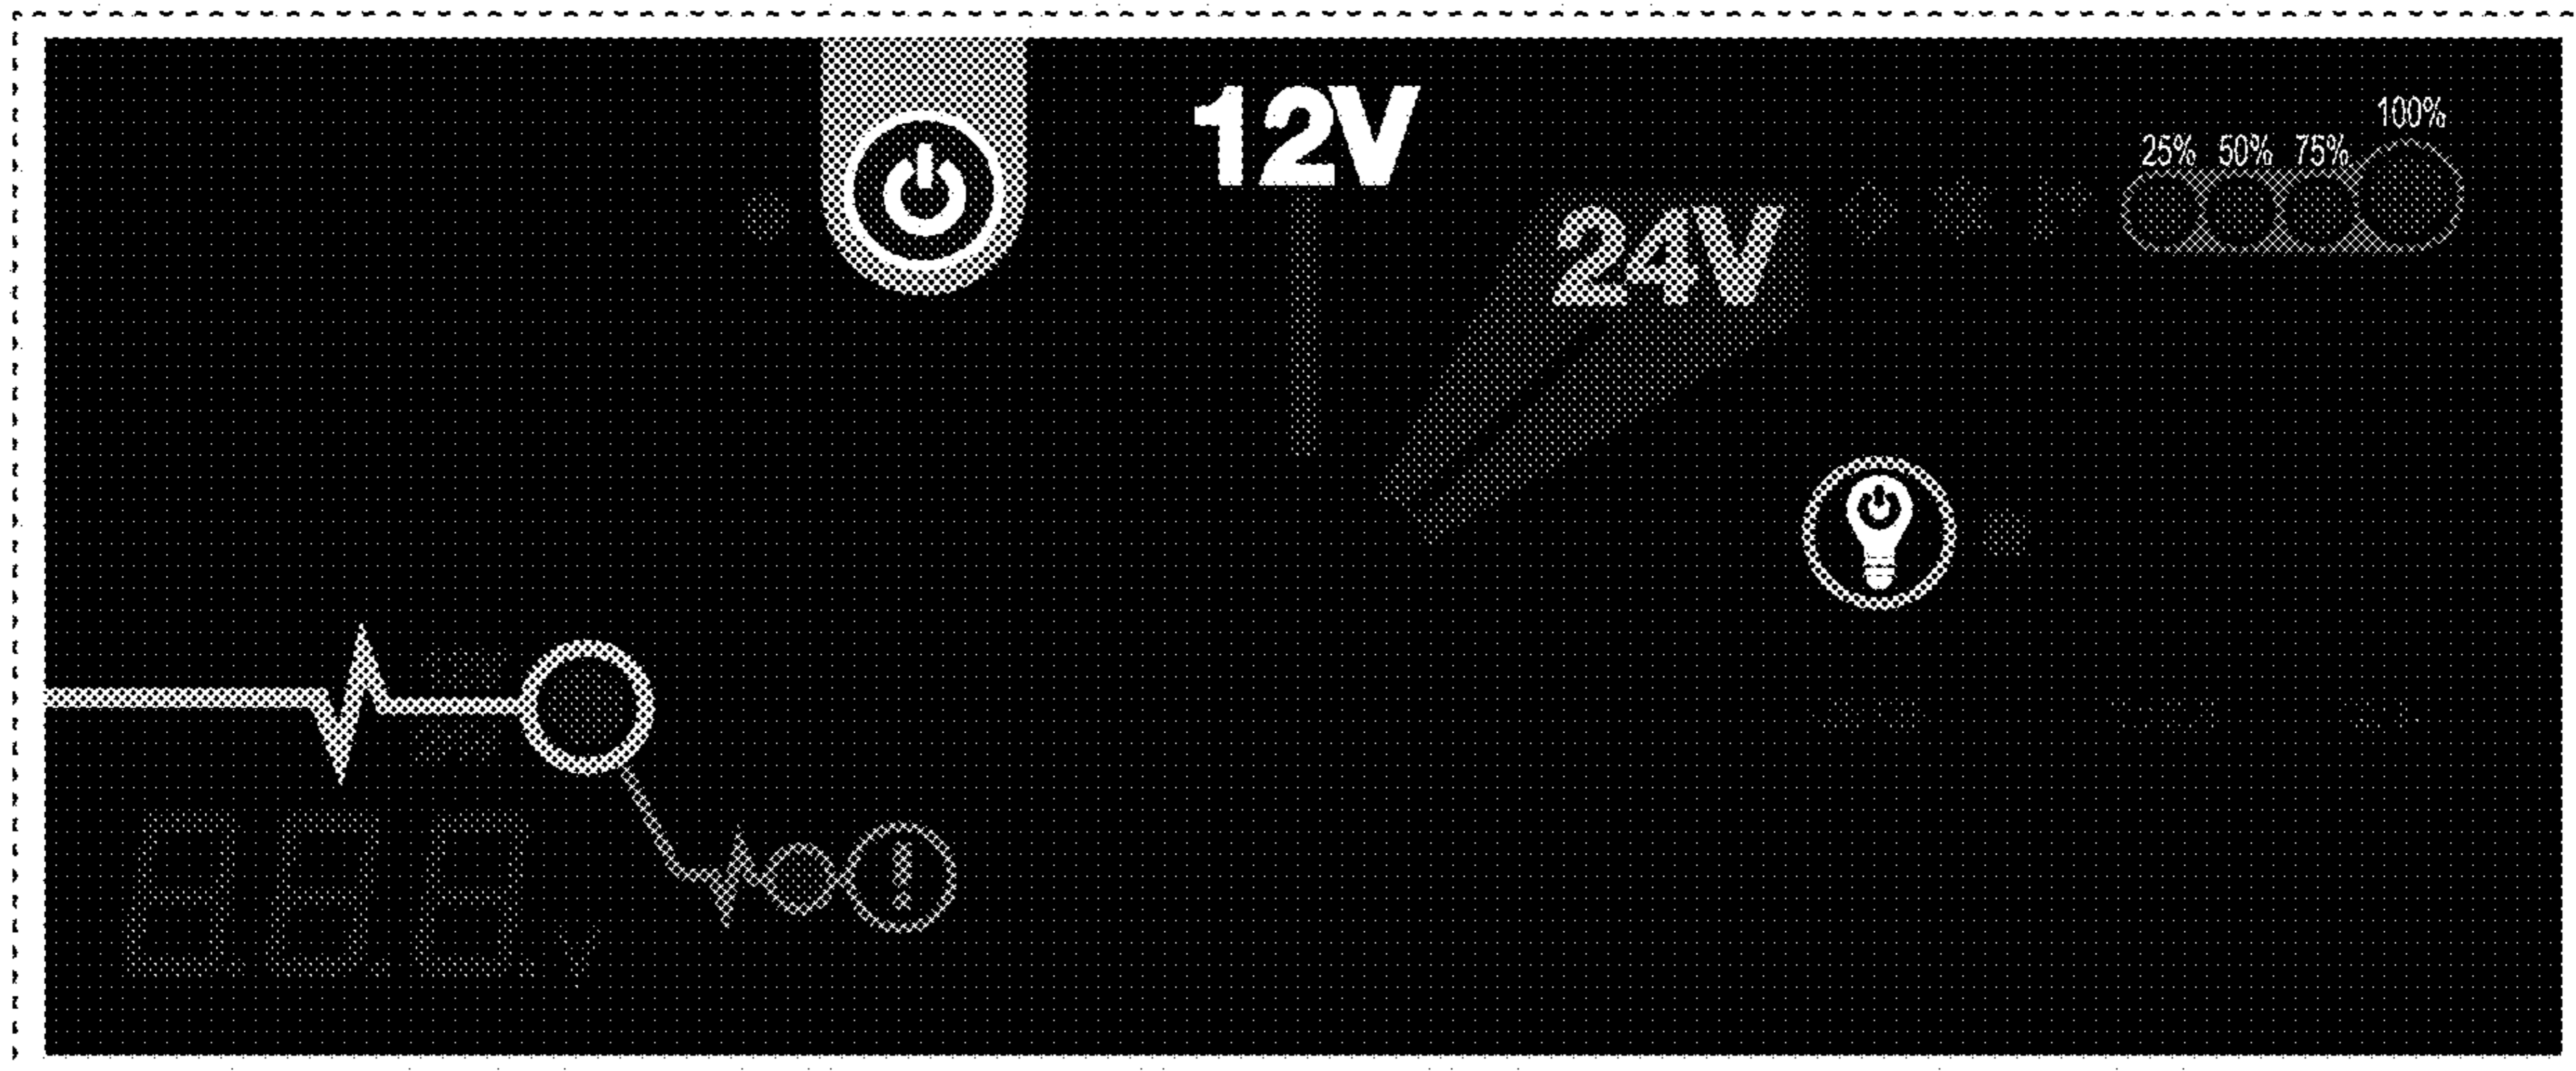

The patent file contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen with graphical user interface.

The outermost broken line showing a display screen with graphical user interface illustrates portions of the article and does not form part of the claimed design.

The broken line showing of a display panel or screen in the FIGURE form no part of the claimed design.

1 Claim, 1 Drawing Sheet
