(57) **CLAIM**

The ornamental design for a display screen with user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with user interface, showing the new design. The broken lines of uneven length show the display screen and form no part of the claimed design. The broken lines of even length depicted portions of the display screen with user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
